15.1 REPORT - REQUEST FOR SUMMARY VACATION OF TWO PUBLIC SERVICE EASEMENTS, LOCATED AT 4362 HIGHWAY 12, PARCEL NO. 032-010-068 (FILE NO. VAC24-001)

BACKGROUND: On October 16, 2024, the Planning and Economic Development Department received an application seeking a Summary Vacation of the Public Service Easements for utility (PUE) and emergency vehicle access (EVA) for the commercial property located at 4362 Highway 12. The EVA easement will be superseded by dedicating a new EVA easement from Highway 12 to serve the constructed self-storage facility. Since the development of the self-storage facility, a PUE along the entire lot frontage was dedicated in 2022 for public utility purposes including the future undergrounding of the overhead services along Highway 12. In addition, public water facilities have been relocated out of the existing PUE and fully encompassed within the dedicated PUE from 2022.

RECOMMENDATION: It is recommended by the Planning and

Economic Development Department that the Council, by resolution, approve a Summary Vacation of two Public Service Easements for the commercial property located at 4362 Highway 12.

15.2 REPORT - REQUEST FOR SUMMARY VACATION OF ONE EMERGENCY VEHICLE ACCESS EASEMENT, LOCATED AT 3901 HEATHFIELD PLACE, PARCEL NO. 173-490-035 (FILE NO. PLN25-0115)

BACKGROUND: On April 22nd, 2025, the Planning and Economic Development Department received an application seeking a Summary Vacation of the Emergency Vehicle Access Easement for emergency vehicle access for the residential property 3901 Heathfield Place. 16. PUBLIC HEARINGS

Public Hearing matters will begin no earlier than 5:00 p.m. or as soon thereafter as the matters are reached on the agenda.

16.1** PUBLIC HEARING - APPEAL OF PLANNING COMMISSION DENIAL OF THE ELM TREE STATION PROJECT

BACKGROUND: On December 17, 2021, Conditional Use Permit and Design Review applications for the Elm Tree Station project (Project) were submitted. The Project includes the construction of a gas station with six gas pumps and four electric charging stations, and a 3,448-square-foot general retail space with an 806-square-foot, one-bedroom apartment above located at 874 N Wright Road. The Project also includes the construction of an additional 432-square-foot general retail use and park-like amenities, including patio/trellis area, benches and picnic area, and a bike path that would traverse the eastern and southern boundaries of the project site from the Joe Rodota Trail to North Wright Road. On September 13, 2022, the City

Council adopted Ordinance No. ORD-2022-10, which amended the Zoning Code to prohibit new gas station land uses. The ordinance included an exemption for any existing applications deemed complete for processing on or before the effective date of the ordinance. Because the Project was deemed complete on December 17, 2021 it is exempt from the ordinance prohibiting new gas stations. While City staff had recommended approval of the Conditional Use Permit, on April 10, 2025, the Planning Commission unanimously denied the application. On April 21, 2025, pursuant to City Code Chapter 15-24, the applicant appealed the decision of the Planning Commission. City staff's position on the findings for granting approval have not changed; as such, the action before the Council includes two options: 1) accept the Appeal and approve the Conditional Use Permit, or 2) Deny the Appeal and uphold the Planning Commission's denial.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council consider the recommendations of the Planning Commission and City Staff and either 1) by two resolutions, accept the Appeal and adopt an Addendum to the Elm Tree Station Initial Study/Mitigated Negative Declaration and approve the Conditional Use Permit for the Elm Tree Station Project; or 2) by one resolution, deny the Appeal and uphold the Planning Commission's denial of the Conditional Use Permit for the Elm Tree Station Project.

16.2 PUBLIC HEARING - PLACEMENT OF ANNUAL STORM WATER ENTERPRISE CHARGES ON THE SONOMA COUNTY PROPERTY TAX ROLL

BACKGROUND: The City of Santa Rosa is required under the federal Clean Water Act to obtain and comply with a National Pollutant Discharge Elimination System (NPDES) and Waste Discharge Requirements for Discharges from the Municipal Separate Storm Sewer Systems (Storm Water Permit). To comply with permit requirements and to control and reduce flooding, property damage, erosion, and storm water quality degradation in the City, the Council, in 1996, added Title 16 to the City Code, which created a Storm Water Enterprise and Utility ("Storm Water Enterprise") as an agency of the City. Under Title 16, the

City Council is authorized to prescribe and collect charges (special assessments) for the services and facilities of the Enterprise. The Council's intention to collect the Storm Water Enterprise charges on the Sonoma County Property Tax Roll was stated in Resolution 22880, adopted in 1996, which levied the annual charges. The amount of the annual charges of the Storm Water Enterprise for fiscal year 2025-26 were adopted by the Santa Rosa City Council on June 17, 2025. This action only considers the manner in which the annual charges will be collected and not the amount of the fee.

RECOMMENDATION: It is recommended by the Board of Public Utilities and Santa Rosa Water that the Council, by resolution, adopt by 2/3 vote the Storm Water Enterprise Charge Report and approve placement of the Storm Water Enterprise charges on the Sonoma County Property Tax Roll, to be collected by the Sonoma County Auditor-Controller-Treasurer-Tax Collector at the same time and in the same manner as Sonoma County property taxes are collected, unless those charges do not meet the County minimum of \$10 and/or parcel owner contact information is known to be incorrect.

16.3 PUBLIC HEARING - SUBMITTAL OF SUBSTANTIAL AMENDMENT TO THE HOME INVESTMENT PARTNERSHIPS - AMERICAN RESCUE PLAN (HOME-ARP) ALLOCATION PLAN TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT; AND APPROVAL OF SECOND AMENDMENT TO GRANT AGREEMENT WITH CATHOLIC CHARITIES HOME-ARP PROGRAM

BACKGROUND: The proposed action will authorize the submittal of the Substantial Amendment to the City of Santa Rosa's (City) HOME-ARP Allocation Plan to HUD. On April 30, 2025, HUD notified the City of an additional \$4,095 in HOME-ARP funding, increasing the total allocation to \$2,741,528. The Substantial Amendment also includes the reallocation of \$100,000 from City Administration and Planning to subrecipient Supportive Services and Non-Profit Operating Costs, aligning with the City's original intent to prioritize funds for programs that prevent and address homelessness. The proposed action will also approve a Second Amendment with Catholic Charities increasing the agreement by \$104,095 for a revised total of \$1,719,539 for the period

January 1, 2024, through June 30, 2026. All funding changes are within the Federal HOME-ARP program allocation and have no impact on the General Fund.

RECOMMENDATION: It is recommended by the Housing and Community Services Department that the Council, by resolution: (1) authorize submittal of the Substantial Amendment to the HOME Investment Partnerships - American Rescue Plan (HOME-ARP) Allocation Plan (Substantial Amendment) to the U.S. Department of Housing and Urban Development (HUD); (2) accept and appropriate additional HOME-ARP funds in the amount of \$4,095 and reallocate \$100,000 in HOME-ARP funds from City Administration and Planning to subrecipient Supportive Services and Non-Profit Operating Costs; (3) authorize the City Manager or their designee to execute, in a form approved by the City Attorney, any forms or documents required by HUD to implement the HOME-ARP funds; and (4) approve a Second Amendment to Grant Agreement with Catholic Charities of the Diocese of Santa Rosa DBA Catholic Charities of Northwest California HOME-ARP Program (Second Amendment) to increase the amount of the agreement by \$104,095 for a total of \$1,719,539 for the period January 1, 2024 to June 30, 2026.
