Subject: [EXTERNAL] Support for public restroom in Courthouse Square

Dear Mayor Schwedhelm, Vice Mayor Fleming and City Councilmembers,

I am writing in support of installing a public restroom at the City Hall Annex (agenda item 14.3) . Public toilets provide a safe and convenient public amenity and should be a basic necessity for a socially inclusive society. Having a restroom available for anyone to use will reduce issues of public urination and defecation. Clean, safe and accessible public restrooms will make Santa Rosa livable and encourage people to visit Courthouse Square without the need to worry about a restroom.

Thank you for your consideration in providing a safe restroom facility for all.
