14. REPORT ITEMS

- 14.1** **REPORT - APPROVAL OF AGREEMENT WITH TOUCHSTONE GOLF LLC., FOR MANAGEMENT OF BENNETT VALLEY GOLF COURSE ENTERPRISE**

BACKGROUND: The purpose of this action is to receive approval from Council to enter into an agreement with Touchstone Golf LLC., (Touchstone) to operate and maintain the Bennett Valley Golf Course (BVGC), including the restaurant facilities. On February 15, 2021, the BVGC Ad Hoc Committee and the Transportation and Public Works Department recommended, and Council approved a solicitation for a single operator to manage the operations and maintenance of BVGC. Touchstone is recommended as the highest ranked firm from the BVGC Review Committee for operation and maintenance management of the BVGC.

Approval of the Resolution will implement the Operating and Maintenance Agreement with Touchstone to manage the BVGC. Touchstone, the city, and the current golf course operator will implement the transition plan from the Agreement with Touchstone and provide continuity of golf operations and maintenance between the current golf course operator and Touchstone.

The transition plan includes but is not limited to providing golf tee times, opening the restaurant, maintaining the golf course facility and equipment, marketing, and outreach strategies, and all the support services necessary for operating the BVGC enterprise. Approval of the Resolution will utilize the remaining Fiscal Year 21-22 funds from the BVGC Capital Fund for implementation of the transition plan capital needs.

The city will earn all revenues from the golf course enterprise and those revenues will fund all expenditures, including a management fee and incentive to Touchstone. Approval of the Resolution authorizes the Chief Financial Officer to appropriate all expenditures from the revenues. Current operating reserves are low, and therefore the Resolution will authorize funds from the General Fund to create the sufficient level of reserves.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council, by resolution: 1) approve the Agreement with Touchstone Golf LLC., to manage the Bennett Valley Golf Course (BVGC) Enterprise; and 2) authorize increased

appropriations in the BVGC Operations Fund in the amount of \$345,000 to fund the transition plan capital costs from the Agreement, with the source of the funds from the BVGC Capital Fund; and 3) authorize increased appropriations in the BVGC Operations Fund in the amount of \$351,225 for the creation of sufficient projected reserves with the source of the funds from the General Fund; and 4) authorize the Chief Financial Officer to appropriate all operator fees and operating and maintenance expenditures from BVGC revenue to Touchstone Golf LLC., as described in the Agreement; and 5) authorize city assumption of the responsibility for the golf cart contract with the current golf operator.

14.3 REPORT - MEASURE O (2004) CYCLE XI CHOICE GRANT PROGRAM FUNDING RECOMMENDATIONS

BACKGROUND: The Measure O Transaction and Use Tax passed by voters in 2004 allocates grant funding to organizations for youth and parenting programs which focus on gang and anti-violence education, prevention and intervention, community safety, and a comprehensive array of social services in high need neighborhoods. On January 10, 2022 the City of Santa Rosa released a Request for Qualification for the Measure O Cycle XI CHOICE Grant Program with \$750,000 in available funding per year of the two and a half year cycle from July 1, 2022 - December 31, 2024. 14.4 REPORT - PARKLET PROGRAM MANUAL ADOPTION

BACKGROUND: The Parklet Program provides a pathway for businesses to build outdoor spaces in the public right-of-way for business and/or public community uses. The COVID prompted temporary Parklet Program has allowed businesses to use parking and underutilized areas of public streets to offset indoor use restrictions connected to local and state health orders. A permanent program would outline installation requirements and ensure compliance with all

associated federal, state and local codes, policies, and standards, as well as set procedures and apply existing fees associated with these uses.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by resolution: 1) adopt the Parklet Program Manual, outlining requirements to expand a business' outdoor operating space on a public street and assign existing service fees to applications initiated under the program; 2) authorize the Director of Planning and Economic Development to approve future changes to the Parklet Program Manual when references to Local, State and Federal Code requirements, adopted fees or application submittal processes require updating; and 3) authorize the Parking Manager to determine the total number of metered parking spaces within the Downtown Station Area that may be utilized for the permanent parklet program.

14.5 REPORT - CITY CODE CHAPTER 18-52 FLOOD DAMAGE PROTECTION AMENDMENTS

BACKGROUND: The proposed ordinance amends sections of the City Code as required to maintain compliance with FEMA's National Flood Insurance Program (NFIP) minimum regulatory standards set forth in the Code of Federal Regulations and to enable the City to continue participating in the NFIP and ensure continued compliance with the California Department of Water Resources requirements embedded in California Building Standards Code (CCR Title 24). 44 Code of Federal Regulations 60.3 requires that local jurisdictions administer minimum requirements when development is proposed and constructed in flood-prone areas. The action supports the Council goal of ensuring a healthy and safe community by protecting development in flood prone areas.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council: 1) introduce an ordinance amending City Code Chapter 18-52, Flood Damage Protection, to comply with regulatory requirements that our ordinance coincide with 44 Code of Federal Regulations 60.3; and 2) adopt a resolution setting a public hearing on July 12, 2022, for adoption of the Ordinance.
