A formal grievance shall only be initiated by completing a form provided by the Human Resources Department. This form shall contain:

- A. Name(s) of grievant
- B. Class title(s)
- C. Department(s)

may, within ten (10) calendar days after the Department head's decision, request the City Manager/designee to consider the decision rendered by the Department head. Such request shall be in writing and filed with the Human Resources Director.

### Step 3

Within ten (10) calendar days after receipt of the written request, the City Manager/designee shall investigate the grievance, confer with persons affected and their representatives to the extent deemed necessary, and render a decision in writing.

Any grievance submitted to arbitration shall be limited to the grievance originally filed at the first step, except as amended by mutual agreement, and properly processed through the grievance procedure.

16.3 The City and the Union shall each select and appoint one arbitrator to the Board of Arbitrators within three (3) days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the Arbitration Board shall be selected by agreement between the City and the Union, and shall serve as the neutral arbitrator and Chairperson of the Board. The Union and the City may agree to have any issue resolved by one neutral arbitrator instead of three arbitrators if both parties agree. In the event that the City and the Union cannot agree upon the selection of the neutral arbitrator, either party may then request, within ten days, the State Mediation and Conciliation Service of the State of California Department of Industrial Relations to provide a list of seven (7) persons, who are qualified and experienced as labor arbitrators. If the City and the Union cannot agree within three (3) days after receipt of such list on one of seven (7) persons to act as the neutral arbitrator, they shall alternately strike names from the list until one name remains and that person shall then become the neutral arbitrator and Chairperson of the Arbitration Board. The party making the first strike shall be determined by lot.

16.4 The expenses of any arbitration proceeding convened pursuant to this Article, including the fee for the services of the Chairperson of the Arbitration Board and the costs of the preparation of the transcript of the proceedings shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expenses.

16.5 The Arbitrator shall have no power to alter, amend, change, add to or

subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation in respect to the alleged grievance and determine the remedy or, in the case of a disciplinary action, whether the alleged act or violation actually occurred and if deemed a violation did occur, the level of discipline imposed was appropriate. If deemed not appropriate the arbitrator shall decide the appropriate level of discipline. The decision and/or award of the Arbitrator shall be based solely upon the evidence and arguments presented by the respective parties. The decision and/or award of the Arbitrator shall be final and binding upon the City, the Union and the employee affected.

The PEPRAs define a new member as an employee hired on/after January 1, 2013 who: (a) has never been a member of the California Public Employee Retirement System (PERS) or a reciprocal agency or; (b) has had a six month (or more) break in service from PERS or a reciprocal public agency or; (c) has previously worked for a public agency whose retirement system does not have reciprocity with PERS.

Contribution of half the normal cost shall be determined by the Annual CalPERS valuation. In accordance with PEPRAs half the normal cost shall change only if the normal cost identified in the Annual CalPERS valuation changes by one percent (1%) or more. Said contribution shall be made by the employee on a pre-tax basis in accordance with Section 414(h)(2) of the Internal Revenue Code.

## **ARTICLE 61**      **RETIREE HEALTH STIPEND**

61.1 The City established and administers a plan and trust to provide a retiree health stipend benefit plan. It is intended that, under this plan and trust, benefits paid to employees will be tax free, contributions will be pre-tax and trust income will be tax exempt.

61.2 The terms and conditions of eligibility and the amount of the stipend payments are as provided in the plan documents. The plan and trust provides that benefits and/or contributions may be adjusted either up or down, even after retirement, to take into account changes recommended by the actuary as required to pay for the benefits. An Actuarial analysis of the plan shall be performed no less than every two (2) years. The cost of the actuary shall be paid for by the plan.

61.3 The plan funds shall be held by the City in accordance with the Trust Agreement unless otherwise specified in the plan or an amendment thereto.

61.4 The City reserves the right to contract the administrative duties of this program and pass the cost of the administrative duties to the plan.

61.5 The approved plan is adopted effective January 1, 2008 and all employees leaving the bargaining unit that date or thereafter are subject to the terms of the plan.

61.6 Employees are eligible to receive benefits when they terminate city employment, reach the age of fifty (50), and have four (4) or more years of service within the unit as defined in the Plan.

61.7 For employees in the bargaining unit as of January 1, 2008, all time in service with the City prior to that date is considered in computing years of service in the plan. After January 1, 2008, only time in service within the bargaining unit is considered in computing years of service for the Plan.

61.8 The intent of this plan is for the eligible retiree payments to remain at the amount specified when the retiree first became eligible for payments. However, based on actuarial recommendations and in accordance with the Plan, benefit amounts may be decreased proportionately to all recipients. Increases to recipients' benefits will only occur if active employees in the respective bargaining unit make that decision consistent with the terms of the Plan Document. For any benefit amount change to be effective, the unit must submit a notice to the City's Risk Manager which includes (i) the date and results of the unit's vote, (ii) the new benefit amounts approved by the unit, and (iii) the effective date for those changes. For retroactive changes, the City must receive this notice no later than February 15<sup>th</sup> of the calendar year following the year in which the change is proposed to take effect (for example, the City must receive the notice by February 15, 2018 for any changes intended to be retroactive to January 2017.) 61.9 Employees who were in the bargaining unit and retired, with a minimum age of 55, between July 1, 1998 and October 31, 2006 with fifteen (15) consecutive years of service with the City receive eighty dollars (\$80) per month benefit unless changed as a result of actuarial analysis as provided in Section 61.2.

61.10 Employees who were in the bargaining unit and retired, with a minimum age of 50, between November 1, 2006 and December 31, 2007 with fifteen (15) consecutive years of service with the City receive one hundred and twenty dollars (\$120) per month benefit unless changed as a result of actuarial analysis as provided in Section 61.2.

61.11 The current stipend amounts are listed in the Plan Document. Any changes to the stipend amounts as a result of actuarial analysis as provided in Section 61.2 and pursuant to Section 61.8, will require an amendment to the Plan Document.

61.12 For eligible employees who retire on or after January 1, 2019 and prior to March 12, 2021 the full monthly stipend amount accrued with 15 years of service and upon termination of employment and attainment of age 50 shall be \$150.00.

61.13 For eligible employees who retire on or after March 12, 2021, the full monthly stipend amount accrued with 15 years of service and upon termination of employment and attainment of age 50 shall be \$190.00.

61.14 The monthly stipend shall accrue based on the schedule listed below:

<b>WHOLE YEARS OF SERVICE</b>	<b>ACCRUED BENEFIT PERCENTAGE</b>
Less than 4 years service	None

Effective with the first full pay period following July 2017, the City's contribution

shall increase by one-quarter percent (0.25%), for a total contribution of eighty-seven hundredth of one percent (0.87%) of salary. Effective with the first full pay period following July 1, 2018, the City's contribution shall increase by an additional one-quarter percent (0.25%), for a total contribution of 1.12% of salary. Effective with the first full pay period following July 1, 2019, the City's contribution shall increase by an additional one-quarter percent (0.25%), for a total contribution of 1.37% of salary. Changes to the City's contribution on behalf of employees are subject to meet and confer and negotiations.

61.17 The contribution shall be calculated monthly based upon the total regular hours labor costs for the unit and deposited in the trust by the fifteenth (15<sup>th</sup>) day of the following month.

## **ARTICLE 62**      **DAYLIGHT SAVINGS TIME**

62.1 Shifts worked on dates on which Day Light Savings Time is adjusted will be compensated as follows:

The overtime rate shall be paid for extra time worked, if the City prolongs the shift by one (1) hour as a result of changing the clock. If the City shortens the shift as a result of daylight savings time, the employee shall be paid at straight time for the time lost, up to one (1) hours.

## **ARTICLE 63**      **COMMUNICATION DISPATCHER EXCESSIVE OVERTIME**

63.1 Article 63 goes into effect anytime the Communications Dispatcher staffing drops below seventy five percent (75%). Staffing is defined as funded/budgeted dispatch positions and is further defined to include only those dispatchers through phase 3 of training. When staffing rises to seventy five percent (75%) or above, the provisions as described in this article go dormant and shall remain so until such time as staffing dips below seventy five percent (75%) again.

63.2 The excessive overtime pay shall be additional compensation tied to the number of hours worked. Overtime hours worked in excess of twenty five (25) hours per month shall be compensated as follows:

**63.2.1**

26 – 50 Hours: Compensation will be paid at time and one-half, plus an additional ten dollars (\$10) per hour for each overtime hour worked between twenty six (26) and fifty (50) hours.

**63.2.2**

51 Hours or more: Compensation will be paid at time and one-half (1.5), plus an additional twenty dollars (\$20) per hour for each overtime hour worked at or above fifty one (51) hours.

63.3 Time worked during emergency situations that result in activation of the EOC shall not be compensated under this Article but shall remain paid at a dispatcher's regular rate of pay and overtime, if incurred.

63.4 Should staffing drop below seventy five percent (75%), the City shall notify the Union and, upon request of the Union, will meet to discuss and develop strategies to address the staffing issues. Said meetings shall take place no later than 30 days from the request to meet. For purposes of this section, staffing is defined as funded/budgeted dispatch positions and does not include those in training. Said discussions may include, but are not limited to, financial incentives such as signing bonuses and/or salary adjustments to stimulate recruitment and retention.

**ARTICLE 64**      **WELLNESS**

64.1 In recognition of the importance of a healthy workforce and to promote physical and mental fitness for staff, after the termination of the former City wellness program, the City has been exploring options to enhance employee health and wellness. The City shall sponsor an employee wellness program to promote health and wellness, including employees' physical and mental fitness; and to reduce absenteeism. The program will consist of an annual payment to each employee of: \$500 on the first paycheck in January of each year thereafter, so that the employee may defer some of the expenses normally incurred for wellness. The payment is to be used for wellness programs such as gym memberships, fitness equipment, and/or weight loss programs which will enhance the health and wellbeing of City staff. Employees should keep

documentation for the program as verification and receipts may be requested. The payment shall be prorated based on the employee's allocated, full time equivalent status.

To receive the Wellness Benefit, the employee must be in active status from January 1 to January 31 of the applicable year. If an employee is on any kind of leave status, they would then become eligible for the benefit upon their return. An employee must request payment of their wellness benefit within thirty (30) calendar days following their return to work. Failure to request their wellness benefit within this timeframe will result in forfeiture of that year's wellness benefit.

If the employee does not return to work within that Wellness benefits calendar year, they will not receive that year's benefit. The benefit does not accumulate from year to year.

**ARTICLE 65****RECOMMENDATION**

65.1 The City's Meet and Confer Committee shall recommend the ratification of this Agreement to the City Council and the Union's Meet and Confer Committee shall recommend the ratification of this Agreement to the employees in the City's Unit #14.
