Exhibit A is attached hereto solely for the purpose of defining the manner and scope of services to be provided by Contractor and is not intended to, and shall not be construed so as to, modify or expand the terms, conditions or provisions contained in this Agreement. The parties agree that any term contained in Exhibit A that adds to, varies or conflicts with the terms of this Agreement is null and void.

**2. TIME FOR PERFORMANCE**

The services described herein shall be provided as set forth in the scope of services. Contractor shall devote such time and effort to the performance of services as is necessary for the satisfactory and timely performance of Contractor's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.

### 3. STANDARD OF PERFORMANCE

Contractor shall perform all services required under this Agreement in the manner and according to the standards currently observed by a competent practitioner of Contractor's occupation in California. In the event this Agreement becomes effective or terminates during the course of a month, the amount paid to the Contractor for the partial month shall be determined by prorating the amount on the basis of the number of calendar days involved. ## **6. TERM, SUSPENSION, TERMINATION**

a. The term of this Agreement shall be for one year, commencing on the date it is made above. City and Contractor may, upon mutual written agreement of both parties, extend this Agreement for up to four (4) additional one year terms.

b. City shall have the right at any time to temporarily suspend Contractor's performance hereunder, in whole or in part, by giving a written notice of suspension to Contractor. If City gives such notice of suspension, Contractor shall immediately suspend its activities under this Agreement, as specified in such notice.

c. City shall have the right to terminate this Agreement for convenience at any time by giving a written notice of termination to Contractor. If City gives such notice of termination, Contractor shall immediately cease rendering services pursuant to this Agreement. If City terminates this Agreement, City shall pay Contractor the reasonable value of services rendered by Contractor prior to termination. In this regard, Contractor shall furnish to City such information as in the judgment of the City is necessary for City to determine the reasonable value of the services rendered by Contractor. City shall not in any manner be liable for lost profits that might have been made by Contractor had the Agreement not been terminated or had Contractor completed the services required by this Agreement.

## **7. TERMINATION OF AGREEMENT FOR DEFAULT**

If at any time 1) Contractor fails to conform to the requirements of this Agreement; 2) Contractor seeks relief under any law for the benefit of insolvents or is adjudicated bankrupt; 3) any legal proceeding is commenced against Contractor which may interfere with the performance of this Agreement; or 4) Contractor has failed to supply an adequate working force, or materials of proper quality, or has failed in any other respect to prosecute the work with the diligence and force specified and intended in and by the terms of this Agreement, which default is not fully corrected or remedied to the reasonable satisfaction of City within ten (10) days following the date a written notice thereof by City, then City shall have the right and power, at its option and without prejudice to any other rights or remedies it may have, to immediately terminate this Agreement. Any cost or expense incurred by City arising out of Contractor's breach or default hereunder, and for City's enforcement of these rights, shall be the obligation of Contractor and may, at City's

## **8. INDEMNIFY AND HOLD HARMLESS AGREEMENT**

Contractor shall indemnify, defend and hold harmless City and its employees, officials, and agents, from and against any liability, (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, interest, defense costs, and expert witness fees), where the same results from or arises out of the performance of this Agreement by Contractor, its officers, employees, agents, or subcontractors, excepting only that resulting from the sole, active negligence or intentional misconduct of City, its employees, officials, or agents. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employees' benefits acts. The provisions of this Section 8 shall survive any expiration or termination of this Agreement.

## **9. INSURANCE REQUIREMENTS**

Maintenance of the insurance coverages as set forth in Attachment One is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for the City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide the City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by the City as a material breach of this Agreement by Contractor, whereupon the City shall be entitled to all rights and remedies at law and in equity, including but not limited to the immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or obligations under this Agreement. In the event Contractor, with approval of the City pursuant to Section 11 below, retains or utilizes any subcontractors in the provision of any services to City under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverage requirements set forth in Attachment One.

Any attempted or purported subcontract or assignment without City's written consent shall be void and of no effect. No right under this Agreement, or claim for money due or to become due hereunder, shall be asserted against the City, or persons acting for the City, by reason of any so-called assignment of this Agreement or any part thereof and Contractor hereby agrees to indemnify and hold City harmless against any and all such claims. In the event Contractor obtains the prior written consent of City to assign monies due or to become due under this Agreement, Contractor shall provide City a copy of the instrument of assignment duly executed by Contractor, which shall contain a clause subordinating the claim of the assignee to all prior liens for services rendered or materials supplied for the performance of work. Upon notice and request by the City, Contractor shall promptly remedy, to include termination of any subcontract as appropriate and necessary, any default or failure to perform in a satisfactory manner the work undertaken by any subcontractor. Contractor shall be fully responsible and accountable to the City for the acts and omissions of its subcontractors, and of persons directly or indirectly employed by them, to the same extent that Contractor is for the acts and omissions of persons directly employed by Contractor. No alteration to the terms of this Agreement shall be valid unless approved in writing by Contractor, and by City, in accordance with applicable provisions of the Santa Rosa City Code.

**15. SEVERABILITY**

If any portion of this Agreement or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

The instrument of assignment shall contain a clause subordinating the claim of the assignee to all prior liens for services rendered or goods supplied.

Should any subcontractor fail to perform in a satisfactory manner the work undertaken by subcontractor, the subcontract shall be immediately terminated by Seller upon notice from the City. Seller shall be fully responsible and accountable to the City for the acts and omissions of any subcontractor, and of persons directly or indirectly employed by the subcontractor, as it is for the acts and omissions of persons directly employed by Seller. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Seller or its agents, under workers' compensation acts, disability benefits acts or other employees' benefits acts. Seller shall be liable to City for any loss of or damage to City property arising from Seller's negligence or willful misconduct.

**PATENTS AND ROYALTIES:** All costs, fees, royalties and claims for any patented invention, article, process or method that may be used upon or in any manner connected with the supply of goods herein shall be paid by Seller. Should Seller, its agents or employees or any of them be enjoined from furnishing or using any invention, article, material or plans supplied or required to be supplied or used under the terms herein, Seller shall promptly substitute other articles, materials or appliances in lieu thereof of equal finish, efficiency, quality, suitability and market value and satisfactory in all respects to City. In the event that City elects, in lieu of such substitution, to have supplied and to retain and use any inventions, articles, materials, or plans as may be required to be supplied, Seller shall pay such royalties and secure such valid licenses as may be requisite for City, its officers, agents and employees, or any of them to use such invention, article, materials or appliances without being disturbed or in any way interfered with by any proceeding at law or equity on account thereof. Should Seller neglect or refuse to make the substitution promptly or to pay such royalties and secure such licenses as may be necessary, then City shall have the right to make such substitution or City may pay such royalties and secure such licenses and charge the Seller even though final payment under the contract may have been made.

**CALIFORNIA LAW:** The Purchase Order or Contract shall be governed according to the laws of the State of California. The adjudication of any disputes related to the Purchase Order or Contract shall occur exclusively and solely in Sonoma County.

**COMPLIANCE WITH LAWS AND REGULATIONS:** All materials, parts and equipment furnished pursuant to the Purchase Order or Contract shall be in compliance with the laws and regulations of the State of California and of the Occupational Safety and Health Administration ("OSHA"). Seller shall, if requested by the City, supply certification and evidence of such compliance.

**RETENTION OF RECORDS:** Seller shall be required to retain any records necessary to document the charges for goods provided and services performed and make such records available to City for inspection at the City's request for a period of four years.
