

RESOLUTION NO.

RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SANTA ROSA  
MAKING FINDINGS AND DETERMINATIONS AND APPROVING A CONDITIONAL  
USE PERMIT FOR A 2,523 SQUARE-FOOT COMMERCIAL CANNABIS  
MANUFACTURING – LEVEL 2 (VOLATILE) USE FOR A PROPERTY LOCATED AT 3415  
INDUSTRIAL DRIVE; APN: 015-650-023 FILE NUMBER CUP19-042

WHEREAS, an application was submitted requesting the approval of a Conditional Use Permit for Commercial Cannabis Manufacturing – Level 2 (volatile), to be located at 3415 Industrial Drive, also identified as Sonoma County Assessor's Parcel Number 015-650-023;and

WHEREAS, the Planning Commission held a duly noticed public hearing on the application at which all those wishing to be heard were allowed to speak or present written comments and other materials; and,

WHEREAS, the Planning Commission has considered the application, the staff reports, oral and written, the General Plan and zoning on the subject property, the testimony, written comments, and other materials presented at the public hearing.

NOW, THEREFORE, BE IT RESOLVED, that after consideration of the reports, documents, testimony, and other materials presented, and pursuant to City Code Section 20-52.050 (Conditional Use Permit), the Planning Commission of the City of Santa Rosa finds and determines:

- A. The proposed use is allowed within the applicable zoning district and complies with all other applicable provisions of this Zoning Code and the City Code, in that the proposed commercial cannabis Manufacturing – Level 2 (volatile) use will be located within the Light Industrial zoning district, where it is an allowed use, subject to Planning Commission approval of a Conditional Use Permit;
- B. The proposed use is consistent with the General Plan and any applicable specific plan, in that the use proposed at this location implements the General Plan vision by accomplishing a variety of Land Use and Economic Development goals by ensuring that industrial uses contributing to economic vitality goals are located in appropriate areas and residential neighborhoods are protected;
- C. The design, location, size, and operating characteristics of the proposed activity would be compatible with the existing and future land uses in the vicinity, in that the proposed use will locate within an existing industrial development and will comply with Building and Fire Code Requirements for Cannabis Related Occupancies, including general requirements and those specific to volatile manufacturing;
- D. The site is physically suitable for the type, density, and intensity of use being proposed, including access, utilities, and the absence of physical constraints, in that: the proposed

use would be located entirely within an existing 6,000-square-foot industrial building, access to the site is provided via Industrial Drive; the building will be fully accessible pursuant to American's with Disabilities Act (ADA) standards, though no public access will be permitted due to the nature of the proposed use and for security purposes; and, all necessary utilities are available at the project site;

- E. Granting the permit would not constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zoning district in which the property is located in that: the use is consistent with the surrounding land uses; the project Odor Mitigation Plan has been certified by a licensed engineer ensuring that all mitigation controls are sufficient to effectively mitigate odors from all sources; the project Security Plan seeks to effectively prevent theft or diversion of any cannabis or currency, as well as to discourage loitering, crime, and illegal or nuisance activities through a camera surveillance system, a professionally monitored alarm system, access controls, secure storage and waste areas inventory controls, and product inventory controls, and implementation of employee safety and security operational procedures; the proposed site will not abut any residential uses; the project is subject to Building and Fire permits, as described in Building and Fire Code Requirements for Cannabis Related Occupancies, including general requirements and those specific to volatile manufacturing, and an annual Fire Department Operational Permit is required for cannabis manufacturing facilities; and
- F. The proposed Commercial Cannabis Manufacturing – Level 2 (volatile) has been reviewed in compliance with the California Environmental Quality Act (CEQA) and it qualifies for:
- Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301 in that it involves minor modifications to an existing facility, with a negligible expansion of the existing or former use that will not exceed 2,500-square-feet.
  - Class 3 Categorical Exemption pursuant to CEQA Guidelines Section 15303, in that it permits the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure.
  - No exceptions to the exemptions apply and there is no reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances (CEQA Guidelines section 15300.2).

BE IT FURTHER RESOLVED, that this Conditional Use Permit is subject to all applicable provisions of the Zoning Code, including Section 20-54.100 (Permit Revocation or Modification).

BE IT FURTHER RESOLVED that a Conditional Use Permit for Commercial Cannabis Manufacturing – Level 2 (volatile), is approved subject to each of the following conditions:

## **PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT**
