WHEREAS, the City of Santa Rosa (“City”) is a charter city organized pursuant to Article XI of the California Constitution; and

WHEREAS, on September 27, 2008, the Legislature adopted Senate Bill 731, which created the California Massage Therapy Council (“CAMTC”) to provide voluntary statewide certification of massage practitioners and therapists; and

WHEREAS, on March 9, 2010, the City Council of the City of Santa Rosa adopted Ordinance No. 3937, amending Chapter 6-32 “Massage Therapy, Massage Business or Establishment,” of the Santa Rosa Municipal Code (“SRCC”) and establishing regulations for the operation of massage establishments and massage therapists within the City; and

WHEREAS, on September 18, 2014, the Legislature adopted Assembly Bill 1147, effective January 1, 2015, which revised existing law regulating certified massage professionals and allowed local agencies to impose reasonable zoning, business licensing, and health and safety requirements on massage establishments; and

WHEREAS, the Massage Therapy Act, codified under California Business and Professions Code sections 4600 through 4621, established CAMTC and statewide regulations for massage and massage establishments; and

WHEREAS, section 51030 of the Government Code provides that the legislative body of a city may enact an ordinance which provides for the licensing for regulation of the business of massage conducted within the city; and

WHEREAS, local jurisdictions may enact an ordinance relating to massage or massage establishments provided such ordinances do not conflict with State law; and

WHEREAS, the City of Santa Rosa desires to protect the health, safety, and welfare of its residents by providing for the orderly regulation of Massage Establishments, as defined herein, and to prevent and discourage the misuse of Massage Therapy as a front for prostitution and related activities in violation of state law; and

WHEREAS, in the provision of such orderly regulation, the City of Santa Rosa does not want to unnecessarily limit the options available to Massage Practitioners and Massage Establishments that have received their certification from or through a certifying body deemed equivalent or superior to CAMTC in terms of demonstrating proficiency in the practice of massage; and

WHEREAS, the City of Santa Rosa wishes to amend portions of the Municipal Code to ensure that the City regulates massage practitioners and massage establishments in compliance with the provisions of AB 1147 and other applicable laws; and

WHEREAS, the Planning Commission finds that repealing Chapter 6-32 and adding a new Chapter 20-49 is required to modernize local Massage Therapy and Massage Establishment regulations, maintain consistency with State law, incorporate best practices, and protect the public health, safety, and welfare; and

WHEREAS, the modernization of Massage Therapy and Massage Establishment regulations in Chapter 20-49 necessitates corresponding amendments to additional City Zoning Code Sections that cross-reference or associate with massage uses and/or which are otherwise essential to further and properly differentiate massage uses as distinct and separate from adult entertainment uses; and

WHEREAS, Planning Commission finds that corresponding amendments of Sections 20-23.030, 20-24.030, 20-52.060 and 20-70.020 of the Zoning Code are required to support the new Chapter 20-49, maintain internal code consistency, incorporate best practices, and protect the public health, safety, and welfare; and

WHEREAS, on January 14, 2025, staff held a community meeting with employees, owners, and members of the local massage establishment community in order to present an overview of the conceptual new ordinance, answer questions and solicit input to better inform the ordinance writing process; and

WHEREAS, on February 27, 2025, the Planning Commission of the City of Santa Rosa held a duly noticed public hearing to consider recommending to the City Council adoption of City Code Text Amendments to modernize local massage therapy and massage establishment regulations, maintain consistency with State law, incorporate best practices, and protect the public health, safety, and welfare; and

WHEREAS, the Planning Commission has received, reviewed and given due consideration to the records and reports herein, and the oral and other evidence received at the public hearing, from the public and City staff.

NOW, THEREFORE, BE IT RESOLVED that based on the evidence presented and the records and files herein, and pursuant to City Code Section 20-64.050 (Findings), the Planning Commission of the City of Santa Rosa finds and determines:

- A. The proposed amendments are consistent with the goals and policies of all elements of the General Plan, and all applicable specific plans, in that they prioritize the health and safety of its residents; promote a healthy and diverse local economy; establish clear standards ensuring ethical operations; preserve and enhance the character of the community; protect consumers and the community from crime; and maintain public order by fostering a legitimate, harmonious and sustainable massage therapy industry.
- B. The proposed amendments would not be detrimental to the public interest, health, safety, convenience, or welfare of the City in that the amendments are intended to provide for the orderly regulation of Massage Establishments and to prevent and discourage the misuse of Massage Therapy as a front for prostitution and related activities which violate state law.
- C. The proposed amendments are internally consistent with other applicable provisions of the Zoning and Municipal Codes. Specifically, as part of the proposed amendments, changes have been incorporated into specific sections of the Zoning and Municipal Codes which historically addressed massage uses.
- D. The proposed amendments to the Zoning and Municipal Codes have been reviewed in compliance with the California Environmental Quality Act (CEQA) and it has determined that the proposed action is exempt from CEQA pursuant to CEQA Guidelines 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment, and because it is not a project as defined in CEQA Guidelines Section 15378, as it has no potential for resulting in a physical change in the environment, directly or indirectly. Additionally, or alternatively, the Ordinance is exempt from CEQA under CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility that this Ordinance or its implementation of the Amendments would have a significant effect on the environment, would not be detrimental to the public interest, health, safety, convenience, or welfare of the City. The Ordinance is also exempt from CEQA pursuant to CEQA Guidelines section 15301 in that no new development or construction is authorized by the Ordinance and nothing in the Ordinance permits any expansion of use beyond the level of land uses already existing in the City.

BE IT FURTHER RESOLVED that, after public hearing on February 27, 2025, the Planning Commission of the City of Santa Rosa finds that amending the Santa Rosa Zoning Code, as follows, is required for public convenience, necessity, and general welfare:

Section 1. Repeal Chapter 6-32 of Title 6 of the Santa Rosa City Code – Massage Therapy, Massage Business or Establishment in its entirety.

Section 2. Add Chapter 20-49 to Title 20 of the Santa Rosa City Code – Massage Regulation and Massage Establishment Registration to read as follows:

**“CHAPTER 20-49 – MASSAGE REGULATION AND MASSAGE ESTABLISHMENT
REGISTRATION”**

20-49.010 Purpose.

- A. In enacting this chapter, the city council acknowledges the valuable health and therapeutic services that commercial Massage Therapy can provide to the public. However, the council also recognizes the potential for unlawful activities associated with Massage Therapy, which can threaten the quality of life in the community if not properly regulated. Therefore, the purpose of this chapter is to protect public health, safety, and welfare by establishing clear regulations for Establishments providing Massage Therapy services, prohibiting prostitution and other illegal activities conducted under the guise of Massage Therapy, and setting specific sanitation, health, and operational standards for Massage Establishments.
- B. Additionally, this chapter aims to mitigate neighborhood blight and protect the integrity of both residential and commercial districts. It also seeks to strengthen enforcement of criminal laws pertaining to illegal activities conducted by Massage Establishment operators and employees.
- C. It is the council’s further purpose to implement the statewide regulations governing Massage Therapists and Establishments, as outlined in Business and Professions Code Section 4600 et seq. These regulations, enacted in 2008 and subsequently amended, will be used to restrict commercial massage practice in the city to only those Individuals certified by the California Massage Therapy Council. Additionally, the chapter will establish provisions for the registration and regulation of Massage Establishments to ensure public health and safety, within the limits of applicable law.
