

Award of Cooperative Purchase for Camel Combination Sewer Cleaners

City Council Meeting
May 17, 2016

Deborah Lauchner
Chief Financial Officer, Finance

CURRENT

- City Vehicles #16202, 16405 and 16101 are scheduled for replacement in Fiscal Year 2015-16 fleet vehicle replacement fund.
- Vehicles are used in the Water Department to clean sewer and storm drains throughout the City, and are twelve to fifteen years old.

PROPOSED

- NJPA Cooperative Agreement Contract #022014-HVC is available to the City of Santa Rosa to purchase the vehicles with 3T Equipment Company, Inc., Santa Rosa, CA.
- City of Santa Rosa Code Chapter 3-08 allows cooperative purchasing.

BENEFIT

- Superior Products Camel sewer and catch basin cleaner vehicles provide outstanding water jetting and vacuum capability and offers 1,000-1,500 gallon water tank and 9-12 yard debris capacity to provide effective sewer and drain storm cleaning.
- The City is currently using the same type of vehicles, mitigating the need for additional user training to operate the vehicles.

RECOMMENDATION

- It is recommended by the Finance, Transportation and Public Works, and Water Departments that the Council approve, by motion, a cooperative purchase of three combination sewer cleaning vehicles and equipment through the NJPA Cooperative Agreement Contract #022014-HVC with 3T Equipment Company, Inc., Santa Rosa, CA in the amount not to exceed \$1,372,133.55.
