

Work Order for Preliminary Design & Environmental Documentation - Fulton Road Widening

City Council Meeting
June 21, 2016

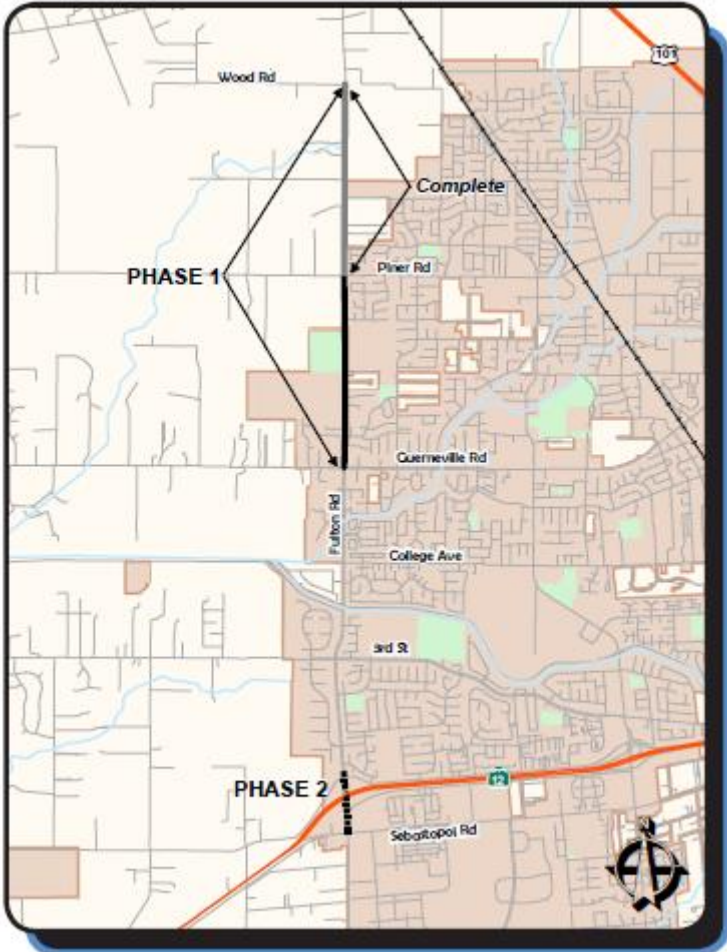

Supervising Engineer, Transportation and Public Works

David Montague

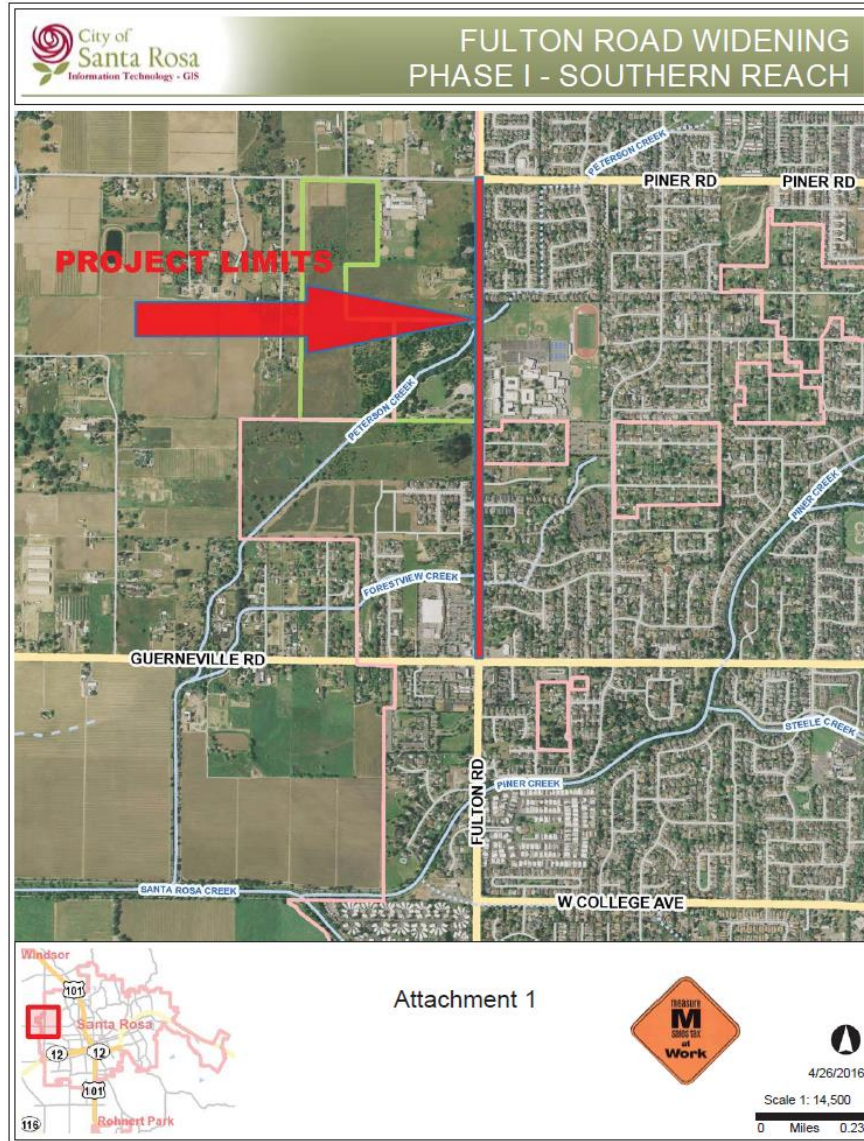

BACKGROUND

- In 2015, the City entered into Cooperative Funding Agreement No. M30406 with Sonoma County Transportation Authority to enable the development of transportation improvements on the southern half of Phase 1 on Fulton Road.
- \$ 8,700,000 of Measure M programmed.
- The proposed improvements includes the installation of two travel lanes for traffic and bike lanes in each direction on Fulton Road, sidewalk & curb ramp improvements, and the relocation of existing overhead utilities underground.

ANALYSIS

- Request For Proposals under Master Professional Services Agreement was released on January 5, 2016.
- Six different firms provided proposals for the preparation of Environmental Documentation and Preliminary Design.
- Review panel selected GHD, Incorporated.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by motion, approve work order #A010070-2011-62 for Preliminary Design and Environmental Documentation for the proposed improvements to Fulton Road from Guerneville Road to Piner Road - Widen To Four Lanes, in the amount of \$588,665 with GHD, Incorporated of Santa Rosa, Ca.
