**LICENSE AGREEMENT**

This License Agreement (“Agreement”) is entered into as of this \_\_\_\_\_ day of \_\_\_\_\_, 2022, by and between the City of Santa Rosa, a municipal corporation (“City”) and Pecos League of Professional Baseball Clubs LLC (“Pecos” and/or “Licensee”).

**RECITALS**

A. The City operates a baseball field, dugouts, bleachers and parking lot at 700 Doyle Park Drive known as the Doyle Park Baseball Field (“Facilities”).

B. Facilities are for the use and benefit of the public; however, the City, through its Recreation Division (“Division”), has determined that there are certain days and hours which may be made available for organizations to rent the facilities for designated use.

C. Pecos requests designated use of the facilities for a professional baseball team to be named the *Santa Rosa Scuba Divers* with the Pecos League of Professional Baseball Clubs LLC for baseball trainings and league games (“Program”).

D. The City desires to make the Facilities available to Pecos on a license basis for the purpose of providing the Program.

Now, therefore, the parties agree as follows:

**Section 1. LICENSE**

- (A) The City hereby grants to Licensee the right to use the Facilities as set forth herein and as follows:
  - (i) Exhibit A - “PECOS FACILITY USE FEES”
  - (ii) Exhibit B - “PECOS FACILITY USE SCHEDULE”
- (B) Exhibit B will be updated annually through the City’s permit process; the City does not guarantee any specific days beyond the current Exhibit B.
- (C) The Division and Licensee may modify the dates and time of Facilities use when agreed to in writing by both parties.
- (D) Licensee understands and agrees that Facilities may be scheduled for other uses on days and times when not scheduled by the Division for Licensee under this Agreement.
- (E) Licensee warrants that it possesses the financial resources to discharge the responsibilities it has assumed under this Agreement.
- (F) Licensee may request the use of other facilities and times not covered by this Agreement through the normal rental permit process of City. All rental fees and charges shall be paid prior to use of facilities.
- (G) In the event that City is required to close any part of the Facilities due to equipment failure, budget crisis, or physical deterioration of any kind, City shall give written notice

of the closure to Licensee and any right of Licensee to use the Facilities shall be suspended during the time of closure.

- (H) Licensee shall use the Facilities for the purpose of the Program and for no other purpose without the prior written consent of the Recreation Division Head (“Division Head”) or the Division Head’s designee.
- (I) Use of Facilities by Licensee includes use of existing furniture and fixtures. The City agrees to provide a fencing barrier around the existing bleacher fixture.
- (J) During use of Facilities by Licensee for Program the consumption or sale of food and beverages must have prior approval from Division.
- (K) The Licensee is responsible for following all city, county, and state regulations regarding the sale and/or consumption of alcoholic beverages including a valid license from issuing agency allowing for the sales and/or consumption of alcoholic beverages and the proper vetting of individuals allowed by law to participate in such sales and/or consumption. The Licensee also agrees to provide appropriate event security when sales and/or consumption of alcoholic beverages exists.
- (L) Licensee shall exercise reasonable precautions for the safety of persons participating in or attending Programs at Facilities. Licensee shall immediately report to City any dangerous condition. Licensee acknowledges that use of Facilities during the hours scheduled for Licensee shall be its sole responsibility and that it will use Facilities in a safe and reasonable manner.
- (M) Licensee shall be responsible for all aspects of operations of its professional baseball organization, including forming, training, and putting the team on the field for league play during the league season. Licensee shall obtain such licenses and approvals as required by the league for the team to enter and continue to be a team playing within the league. Licensee shall operate the team and be responsible for all aspects of operations meeting the applicable standards of a professional baseball team.
- (N) Licensee and its members, staff, volunteers and employees shall enforce and obey all posted Facilities safety rules and other rules that pertain to the use of the Facilities.
- (O) Licensee will immediately report any Facilities issues, incidents, and/or accidents to the Division.
- (P) Licensee shall be solely responsible for the orderly conduct of all persons using the Facilities and Program by its invitation, either expressed or implied. City reserves the right to eject from the Facilities any person engaging in unlawful conduct.
- (Q) Licensee shall be able to request approval to install advertising on the public baseball field in compliance with the City’s Advertising Policy 000-70. The creative content must be approved by City personnel prior to production. Advertisements shall only be displayed on the field’s outfield fence and shall only face the field’s interior. Advertising copy and/or logos shall be limited to one side and shall be made of durable cloth, bunting, plastic, or similar approved material. Individual advertisements shall not exceed 32 square feet. The advertisement’s surface must be tautly and securely fastened to the outfield fence of the field by a minimum of four contact points. The licensee shall

maintain all advertisement materials in good condition, and the applicant shall remove or replace any damaged, torn, faded, dirty or defaced advertisements. This includes graffiti and tagging. Advertisements shall be installed no sooner than seven days prior to the baseball season's commencement and shall be removed within seven days of the season's close. Specific dates and time for the advertisements' installation and removal may be subject to change by the City to minimize impacts to the public. All advertisements that are not removed by the applicant by the approved removal date shall constitute a public nuisance subject to summary removal by the City. The City may bill user groups for removal.

- (R) Licensee shall not publicize or cause to be publicized this Agreement prior to the execution of this Agreement by City and Licensee.
- (S) Duly authorized representatives of City shall have the right to enter the Facilities and all parts thereof at any time.
- (T) City shall have the sole right to collect and have custody of articles left in or around the Facility by participants of Licensee's Program. Neither Licensee nor Licensee's agents shall interfere with the City's collection and custody of such lost and found articles.
- (U) Licensee shall not do, nor permit to be done, anything which may interfere with the effectiveness or accessibility of the Facilities, nor do, nor permit to be done, anything which may interfere with free access to the public areas, streets, or sidewalks adjacent to the Facilities.
- (V) City retains the right to photograph Program for its own purposes.
- (W) In the receipt, handling, care, custody and storage of property of any kind shipped or otherwise delivered to the Facilities prior to, during or subsequent to the use of the Facilities by Licensee, City and its employees shall act solely for the accommodation of the Licensee, and City shall not be liable for any loss or damage to the property.
- (X) Licensee agrees that the portion of the Facilities assigned to Licensee is not leased to Licensee, that it is a Licensee and not a Lessee, and that its right to occupy the Facilities shall continue only so long as it strictly and promptly complies with each and all undertakings, provisions, covenants, agreements, stipulations, and conditions contained herein.
- (Y) This license may create a possessory interest subject to property taxation. Licensee shall be subject to payment of property taxes levied on the possessory interest by the County of Sonoma. State law requires a public entity renting or leasing its property to a private party to notify the private party about the potential tax. If imposed, the interest tax is equal to 1% of the assessed value.
- (Z) This Agreement shall have no force or effect whatsoever unless and until it has been executed by Licensee and the Division Head on behalf of the City of Santa Rosa. By its execution, Licensee covenants and agrees that it will faithfully perform and abide by each and every term, condition, and limitation of the license granted herein, each of which shall be a condition subsequent to continuance in effect of the license.

## **Section 2. TERM; TERMINATION**

- (A) The license granted by this Agreement is non-exclusive and begins \_\_\_\_\_, 2022 and terminates February 28, 2027, unless sooner terminated as provided herein. Exhibit B (attached) will be negotiated annually between the City and Licensee as part of Division's sports field permit process with new dates and times. The attached Exhibit B does not guarantee nor set precedents for negotiation of future dates.
- (B) Either party may terminate this Agreement by written notice of not less than sixty (60) days. Licensee is responsible for all payments which are due at the time of termination.
- (C) In the event of default on the part of Licensee in any of the terms of this Agreement, which default continues for a period of not less than ten (10) days after written notice from the City to Licensee, City may terminate further use of Facilities under this Agreement and may eject any person who enters by reason of the permission granted in this Agreement.
- (D) The Division Head shall have the right to terminate all or part of this Agreement at any time when the Facilities are required for public necessity or emergency use or at any time when the Division Head determines that termination is necessary to preserve the public peace, prevent damage to public property, or prevent riots, mobs or violence. Upon such termination, neither the City, nor its officers, agents or employees shall be liable to Licensee for any expenses or damages whatsoever related to the termination. In no event shall City, its officers, agents, or employees be liable to Licensee for lost revenue or consequential damages.
- (E) At the expiration of Licensee's date and time of use of the Facilities or upon the sooner termination of this Agreement, Licensee shall vacate the Facilities, remove all property brought to the Facilities by, or on behalf of, Licensee.
- (F) Licensee agrees to pay the cost of repair or replacement for all damages to Facilities property of whatever origin or nature resulting from the negligence or intentional misconduct of Licensee, its officers, employees, agents, invitees or members, and the cost to maintain and store any of Licensee's property not removed from the Facilities at the termination of this Agreement.
- (G) If the Facilities or any part thereof is destroyed or damaged by fire or any other cause, or if any unforeseen casualty, including strikes, labor disputes, war or acts of military authorities, shall render the performance of this Agreement difficult or impossible, this Agreement shall be automatically terminated. City shall not be held liable to Licensee for any damage caused by such termination and City shall be relieved from further liability by reason of this Agreement and no claims for compensation shall be made against City by Licensee. Should this License terminate or expire or should the terms and conditions of this License make it impossible or difficult to perform its obligations under this Agreement, the City shall not be liable to Licensee for any damages sustained by Licensee, whether direct or consequential, resulting therefrom.

**Section 3. INDEMNITY**
