(Catholic Charities of the Diocese of Santa Rosa)

Planned Outcome

The Santa Rosa Homeless Outreach Services Team (HOST) program (PROGRAM) is a multi-disciplinary outreach team that works to engage unsheltered homeless into services such as substance abuse treatment, mental health treatment, shelter services, and other services for the homeless with its primary function to supply housing as part of the “Housing First” model. HOST also works with law enforcement, parks systems and water agencies to address issues that arise from activities related to homelessness.

The PROGRAM will provide a number of services including but not limited to the following: outreach and engagement through coordination with benevolent community events and other cross-sector collaborations; housing and health assessments; housing assistance – temporary placement, reunification to supportive living situation, rapid-rehousing; case management to include follow-up engagements; coordinated abandoned camp clean-ups to include Conservation Crew* participation; operation of a 24/7 response line; and outreach and engagement through the operation of a mobile bathroom-shower trailer (Trailer). Additionally, the PROGRAM will leverage the County of Sonoma’s HOST program resources including storage, transportation, benefits enrollment assistance, and Coordinated Intake and VI-SPDAT (Vulnerability Index, Service Prioritization Decision Assistance Tool) assessments.

PROGRAM services will be provided by CONTRACTOR in partnership with Social Advocates for Youth and Buckelew Programs. The PROGRAM’s service area will be within the CITY limits with the primary service area to be downtown Santa Rosa which includes the area surrounded by College Avenue, E Street, Highway 12 and Cleveland Avenue/Madison Street.

CONTRACTOR will operate the Trailer weekly providing up to 90 showers at the following locations: City Hall parking lot, Roseland Village, and Santa Rosa Treatment Program parking lot. Any changes to these locations must be approved by CITY. CONTRACTOR will coordinate operation of the Trailer so as not to conflict with CITY business, events, or programs. CONTRACTOR will also operate the Trailer on properties owned by the County of Sonoma and by private parties, which serve Santa Rosa residents, subject to approval by the CITY, and the respective property owner. Each location is to be restored to its original condition after use of the Trailer by CONTRACTOR. All trash and debris is to be disposed of offsite. All Trailer waste must be disposed of offsite at a designated waste disposal facility. The Trailer will be staffed at all times by CONTRACTOR’S employees and will be stored at CONTRACTOR’S property after every use.

**Conservation Crew – CONTRACTOR will provide recently or currently homeless individuals with financial incentives to help with clean-up of abandoned encampments.*
