

Contract Award – Annual Slurry Seal 2020

City Council Meeting
May 05, 2020

Grant Bailey
Associate Civil Engineer, Transportation and Public Works

BACKGROUND

- This project will apply slurry seal to various residential City streets
- Streets are slurried by applying a thin coating of liquid asphalt and sand
- Slurry seal prevents water intrusion, corrects minor cracking and improves skid resistance
- Priorities are established by the Pavement Management System

ANALYSIS

- The project was advertised on February 10, 2020, and 7 bids were received on March 11, 2020, ranging from \$499,600.00 to \$688,200.00.
- The low bid was 5.85% above the Engineer's Estimate.
- Construction is anticipated to begin in July of 2020 and last 9 working days.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by motion, award Contract No. C02318, Annual Slurry Seal 2020, in the amount of \$499,600.00 to the lowest responsible bidder, DRYCO Construction, Inc., of Fremont, California, approve a 10% contract contingency, and authorize a total contract amount of \$549,560.00, effective July 1, 2020.
- Questions?
