COOPERATIVE AGREEMENT

City Council Meeting
November 9, 2021

Scott Westrope, Fire Chief
Fire Department

CURRENT

- The Fire Department is currently using wildland portable radios that were placed into service in 2005.
- The Fire Department has a need to upgrade its portable radios to bring them into compliance with Federal and State standards and to provide updated equipment to all Fire Operations staff.

PROPOSED

- The Fire Department requests to purchase 130 Bendix King KNG2 portable radios and required accessories through BK/Relm NASPO Contract Number 06913 cooperative agreement via the State of California Participating Addendum Number 7-16-58-15 and related amendments
- A Purchase Order will be issued and accompanied with standard City PO Terms and Conditions.
- This purchase will utilize previously allocated PG&E Settlement funds as part of the Fire Department's Wildland Resiliency and Response Strategic Plan project (WUI 2.0)

BENEFIT

- This purchase will provide 130 Bendix King KNG2 portable radios and required accessories to all Fire Operations staff to provide improved communications between Fire Operations staff and other agencies.
- Santa Rosa City Code Section 3-08.160 allows for cooperative purchases when advantageous to the City.

RECOMMENDATION

- It is recommended by the Fire and Finance Departments that the Council, by resolution, approve the issuance of a Purchase Order to Day Management Corporation dba Day Wireless Systems of Milwaukie, Oregon for the purchase of 130 Bendix King KNG2 portable radios and required accessories in an amount not to exceed \$345,000 through BK/Relm NASPO Contract Number 06913 cooperative agreement via the State of California Participating Addendum Number 7-16-58-15 and related amendments.
