

Ninth Contract Amendment with Petrusha, Inc., dba Advanced Security Systems

City Council Meeting
September 19, 2017

Deborah Lauchner
Chief Financial Officer, Finance Department

CURRENT

- Advanced Security Systems provides City-wide monitoring services for burglar (intrusion) alarms and fire alarms
- Monitoring services alert City staff, including but not limited to Police and/or Fire, when alarms are triggered
- Additional services provided include repair of existing equipment and installation of new equipment

PROPOSED

- Extending for the final year of services under this agreement
- Updating Exhibit B1 to B2 to account for all services in place City-wide
- Additional compensation for as needed installation and repairs for City-wide assets

BENEFIT

- Increase to available funds for as needed installation and repairs City-wide
- Provide additional services to locations not previously identified in the contract

RECOMMENDATION

- Council approve, by motion, the Ninth Amendment to General Services Agreement #F000633 with Petrusha Inc., dba Advanced Security Systems to add a final year of site services and increase compensation by \$57,000 total amount not to exceed \$156,883.50
