16. PUBLIC HEARINGS

16.1 PUBLIC HEARING - REPEALING AND REPLACING CHAPTER 11-22 OF THE SANTA ROSA CITY CODE (CAMPING ON PUBLIC STREETS AND PUBLIC PROPERTY) - CAMPING ORDINANCE

BACKGROUND: Chapter 11-22 of the Santa Rosa City Code - Camping on Public Streets and Public Property (Camping Ordinance) was adopted by Council in 1994 and applies to camping on public and private property within the Santa Rosa city limits. The current Camping Ordinance prohibits camping on public property and conflicts with *Martin v. City of Boise* (Martin), a 2019 decision by the United States Court of Appeals for the Ninth Circuit that prohibits cities from criminally enforcing camping restrictions on public property if they do not have

enough shelter beds available for the homeless population. The update to the Camping Ordinance will eliminate the City's current blanket ban on camping on public property and establish camping standards that are protective of the public health and safety of all Santa Rosa residents.

RECOMMENDATION: It is recommended by the Housing and Community Services Department that Council introduce an ordinance repealing and replacing Chapter 11-22 of the Santa Rosa City Code (Camping on Public Streets and Public Property) to: 1) eliminate a blanket ban on camping on public property to align with *Martin v. City of Boise*, a 2019 decision by the United States Court of Appeals for the Ninth Circuit; and 2) establish standards for camping on public or private property that protect the health and safety of the community.

BACKGROUND: This FTA Section 5310 Grant Application for Americans With Disabilities Act (ADA) Accessible Vehicles is for the

acquisition of replacement paratransit vehicles that have reached their useful life expectancy. The California Department of Transportation (Caltrans) requires that public agencies hold a public hearing to allow local non-profits to comment on both their ability to provide ADA complementary paratransit service and the City's interest in submitting a Section 5310 - Enhanced Mobility of Seniors and Individuals with Disabilities Program grant application.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council: 1) hold a public hearing to receive public comment and to determine whether any private non-profit is readily available to provide paratransit services within the City; and 2) by resolution, authorize the City Manager or designee to execute and file a grant application with the California Department of Transportation under Federal Transit Act Section 5310 - Enhanced Mobility of Seniors and Individuals with Disabilities Program to purchase replacement ADA Paratransit cutaway vehicles.

On February 6, 2023, an appeal of that action was received, which requires City Council review and action. On May 23rd, 2023, the Council elected to continue the item to a date uncertain.
