From ensuring
54,000 customers
receive safe, reliable,
and high-quality
drinking water

To maintaining over
1,200 miles
of water and sewer
infrastructure

To operating
a regional water reuse
system that recycles
and beneficially reuses
6 billion
gallons of water annually

WATER

To protecting over
100 miles
of creeks

To investing over
\$40 million
in the resiliency and
reliability of our water
systems each year

The **282 employees** of Santa Rosa Water
work around-the-clock to protect our water
resources
