# General Plan

## Land Use and Livability:

- LUL-I Maintain vibrant, convenient, and attractive commercial centers.
- LUL-I-1 Provide a range of commercial services that are easily accessible and attractive, that satisfies the needs of people who live and work in Santa Rosa and that also attracts a regional clientele.
- LUL-J Maintain the economic vitality of business parks and offices, and Santa Rosa's role as a regional employment center.
- LUL-J-3 Allow limited support retail and business services – such as cafes, delis, and dry-cleaners – where the land use classification on the General Plan Land Use Diagram is Office or Business Park.

# General Plan

## **Economic Vitality:**

- EV-B Facilitate the retention and expansion of existing businesses and provide sufficient land for business expansion and attraction of new employers that utilize the area's existing labor pool.
- EV-B-1 Monitor land use and development trends in the city to ensure an adequate supply of land that offers diverse use designations and development intensities.
- EV-B-7 Focus business attraction efforts on filling vacancies in commercial and industrial structures.
- EV-D Maintain the economic vitality of the downtown, business parks, offices and industrial areas.

# General Plan

## **Economic Vitality (continued):**

- EV-D-1 Continue to promote Santa Rosa's role as a regional center.
- EV-D-3 Focus office development within downtown. Encourage business services to locate within downtown to support professional and administrative office uses.
- EV-D-6 Pursue expansion of the number of hotel rooms and conference facilities in order to attract more meetings and conventions to the city. Aggressively promote the city to the visitor and convention markets.

# Zoning

## Conditional Use Permit (Minor and Major)

- Public Process
- Provides a process for reviewing land use activities
- Required findings to approve include:
  - Zoning Code and the City Code consistency
  - General Plan and applicable Specific Plan consistency
  - Compatibility of design, location, size, and operating characteristics
  - Site physically suitable for the type, density, and intensity
  - Not a nuisance, injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious
  - In compliance with California Environmental Quality Act

# Environmental Review

## California Environmental Quality Act (CEQA)

- Proposed Zoning Code text amendment meets the criteria of CEQA Guidelines Section 15183 (Projects Consistent with a Community Plan, General Plan, or Zoning), and relies on the General Plan 2035 Environmental Impact Report
- Potential traffic and noise impacts specific to Lodging were reviewed
  - Fewer trips per A.M. and P.M. peak hour for Lodging uses when compared Office Uses
  - Impacts to noise were reviewed based on the implementation of the General Plan 2035 and the City's Noise Ordinance
    - Site specific proposal would need to demonstrate compliance with the City's standards

# Public Comments

- A number of general inquires regarding affected sites
- Concerns from Bennett Valley residents regarding impacts to noise, traffic, and safety
- Comments in support of proposal to broaden the allowable land uses throughout the city and zoning districts

# Recommendations

It is recommended by the Planning Commission and the Planning and Economic Development Department that the City Council adopt an ordinance to approve the Zoning Code Text Amendment to Land Use Table 2-6 of Section 20-23.030.
