- C. CITY wishes to fund the PROGRAM, using federal Community Development Block Grant (CDBG) funds and Local Funds.
- D. The parties have negotiated upon the terms pursuant to which Contractor will administer and conduct the Program and City will fund the Program and have herein reduced such terms to writing.

AGREEMENT

1. SCOPE OF SERVICES

Contractor shall, in a manner satisfactory to City, and consistent with 24 CFR 570, Subpart C - Eligible Activities, and 2 CFR 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, perform the scope of services described in **Exhibit A** ("Scope of Services"). Contractor is required to report deviations from budget or Scope of Services as per 2 CFR 200.308 - Revision of Budget and Program Plans.

2. TERM OF AGREEMENT

The term of this Agreement shall commence on July 1, 2024 and shall continue in effect until June 30, 2025.

3. **GRANT**

- A. Notwithstanding any other provision of this Agreement, Program funding from City to Contractor shall not exceed two hundred fifty-two thousand and no/100 dollars (\$252,000). The City's Chief Financial Officer is authorized to pay all proper claims from Key 42006/Fund 2280 (\$102,000) and Key 340707/Fund 1209 (\$150,000).
- B. Payments by City to Contractor shall be made monthly in arrears based on the Budget in **Exhibit B** and upon the proper documentation of expenditures. On or before the fifteenth day of each month, Contractor shall submit an invoice to City for the prior month. The Director of Housing and Community Services (Director) will review each invoice and may deny reimbursement where: 1) an expenditure is questionable or improperly documented; or 2) where Contractor has not provided Program services. Invoices submitted after 30 days shall include acceptable written justification for the delay.
- C. In the event that the Director determines that Contractor is not fully providing the Program services identified in **Exhibit A**, he shall have the right to reduce the grant award, unless the failure to provide services is beyond Contractor's control. The exercise by the Director of City's rights under this provision shall not be construed as a waiver by City of any other right or remedy.

4. **INSURANCE**

Contractor shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, **Attachment One**, "Insurance Requirements" which is attached hereto and hereby incorporated and made part of this Agreement by this reference. Maintenance of the insurance coverage as set forth in **Attachment One** is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Contractor, whereas City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or obligations under this Agreement. In the event Contractor, with approval of City pursuant to Section 10 below, retains or utilizes any subcontractors in the provision of any services under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverage requirements set forth in the Insurance Requirements in **Attachment One**.

5. INDEMNITY/LIABILITY

Contractor shall, to the fullest extent permitted by law, indemnify, protect, defend and hold harmless City, and its employees, officials and agents (“Indemnified Parties”) from all claims, demands, costs or liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, interest, defense costs, and expert witness fees), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Contractor, its officers, employees, volunteers or agents, in said performance of services under this Agreement, excepting only liability arising from the sole negligence, active negligence or intentional misconduct of City. If there is a possible obligation to indemnify, Contractor’s duty to defend exists regardless of whether it is ultimately determined that there is no obligation to indemnify.

6. INDEPENDENT CONTRACTOR

The parties intend that Contractor, in performing services herein specified, shall act as an independent contractor and shall have control of its work and the manner in which it is performed. It shall be free to contract for similar services to be performed for other employers while it is under contract with City. The Drop-In Center's basic needs services include showers, telephone, mail service, information, laundry services and referrals for the most vulnerable homeless population. The Drop-In Center serves as the City and County's primary referral point for Coordinated Entry for Permanent Supportive Housing, Rapid Re-Housing, short-term financial assistance, and is referral point for emergency shelters and other community resources.

Drop-In Center staff serve as the liaison between the community and the homeless population and respond to neighborhood issues such as loitering, vandalism, littering, or public intoxication. The Drop-In Center will continue to host volunteers Wednesday and Friday mornings 8:00 a.m. to 11:00 a.m. to provide targeted engagement for homeless individuals and families who have yet to engage in housing services. The Drop-In Center will continue to serve as the hub for referral information and access to local community resources and to coordinate Homeless Outreach Services (HOST) services for Santa Rosa.

Santa Rosa Community Health (SRCH) operates a full-scale medical clinic inside Caritas Center. While the SRCH Clinic services the general public overall, the Caritas Center location is intended to serve as a primary source of medical care for individuals and families experiencing homelessness and/or are enrolled in a shelter program. The SRCH Clinic is able to serve unsheltered adults through routine/scheduled service appointments and unscheduled immediate/urgent care needs for Drop-In Center participants on a daily basis. The SRCH Clinic reception/check in desk is co-located at the reception/check in desk for the Drop-In Center allowing for medical referrals to happen immediately and participants are generally seen that same day.

- 50% of participants will maintain active enrollment in the Sonoma County Coordinated Entry System.

The Drop-In Center will also serve as the location for the City's Extreme Weather Warming Center to provide temporary relief for the City's unsheltered population in event of an extreme weather event. The Warming Center is a drop-in center to warm-up and charge devices; it is not a shelter and no cots for sleeping will be provided. Operational hours will typically be between 7pm to 7am but may vary based on weather conditions and space availability. Contractor will provide daily updates on Warming Center activities to include the number of individuals served and shelter referrals, any issues encountered, and a final report out on operations.

This assurance shall obligate Contractor, or in the case of any transfer, the transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

b. Fair Housing Act of 1968

The Fair Housing Act (42 U.S.C. §§ 3601-3620; P.L. 90-284) states that it is the policy of the United States to provide, within constitutional limitations, for fair housing throughout the United States and prohibits any person from discriminating in the sale or rental of housing, the financing of housing, or the provision of brokerage services, including in any way making unavailable or denying a dwelling to any person, because of race, color, religion, sex, national origin, handicap or familial status. Contractor shall administer all programs and activities assisted under this Agreement in a manner to affirmatively further the policies of the Fair Housing Act.

A person with Limited English Proficiency (LEP) is a person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English. Affirmative steps must be taken to communicate with people who need services or information in a language other than English. A policy must be developed to serve applicants, participants, and/or persons eligible for housing assistance and support services.

Contractor must analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. In order to determine the level of access needed by LEP persons, the following four factors must be balanced:

- i. the number or proportion of LEP persons eligible to be served or likely to be applying for program services;
- ii. the frequency with which LEP persons utilize these programs and services;
- iii. the nature and importance of the program, activity, or service provided; and
- iv. the benefits from providing LEP services, and the resources available and costs to the CDC for those services.

Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the Contractor. Contractor shall develop and implement a LEP policy consistent with the above guidelines and provide City with copies of its LEP Policy.

g. Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act of 1990

 - i. Temporarily withhold cash payments pending correction of the deficiency by Contractor or more severe enforcement action;

Other Contractor costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
 - i. The costs result from obligations which were properly incurred by Contractor before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and

- ii. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
- d. RELATIONSHIP TO DEBARMENT AND SUSPENSION: The enforcement remedies identified in this section, including suspension and termination, do not preclude Contractor from being subject to 2 CFR part 2424 (see 24 CFR §85.35).
