

**RESOLUTION NO. ZA-2023-030**

**RESOLUTION OF THE ZONING ADMINISTRATOR OF THE CITY OF SANTA ROSA APPROVING A MINOR CONDITIONAL USE PERMIT TO ALLOW AN AUTO-BODY AND PAINT SHOP WITH OFFICE SPACE FOR THE PROPERTY LOCATED AT 3310 INDUSTRIAL DRIVE, SANTA ROSA, APN: 015-650-025, FILE NO. CUP23-015**

WHEREAS, a Minor Conditional Use Permit application was submitted to the Planning and Economic Development Department on March 10, 2023; and

WHEREAS, the Santa Rosa Zoning Administrator has completed review of the Minor Conditional Use Permit application to allow the proposed use for the project described above; and

WHEREAS, the Minor Conditional Use Permit approval to allow the proposed use is based on the project description and plan set dated May 16, 2023; and

WHEREAS, the matter has been properly noticed as required by Section 20-52.050.E.2.a and no request for a public hearing has been received;

NOW, THEREFORE, BE IT RESOLVED that in accordance with Section 20-52.050.F, the Zoning Administrator of the City of Santa Rosa finds and determines that:

1. The proposed use is consistent with the Light Industrial Zoning District and the General Plan land use designation of Light Industry, which accommodates industrial, warehousing and heavy commercial uses, including vehicle related (storage, repair, sales, etc.) uses; and
2. The proposed use is allowed within the Light Industrial (IL) zoning district and complies with all other applicable provisions of this Zoning Code and the City Code. Pursuant to Zoning Code Table 2-10, vehicle services is permitted with a Minor Conditional Use Permit, and the project meets the applicable development standards; and
3. The design, location, size and operating characteristics of the proposed use would be compatible with the existing and future land uses in the vicinity in that the project site is surrounded by light industrial and commercial uses; and
4. The site is physically suited for the type, density, and intensity of the proposed use including access, utilities, and the absence of physical constraints in that there are other vehicle sales and services in this surrounding area, such as the Interstate All Car Battery Center. The property is located in a developed area where all required utilities and services are available; and
5. Granting the permit would not constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zoning district in which the property is located in that the area is designated as Light Industry on the General Plan Land Use Diagram, where vehicle-related uses, including repair services, are anticipated; and

6. The project has been found in compliance with the California Environmental Quality Act (CEQA) and qualifies for a Class 1 exemption under CEQA Guidelines Section 15301 in that the site is entirely developed and the proposed use would not involve a negligible expansion of the previous industrial use.

This entitlement would not be granted but for the applicability and validity of each and every one of the below conditions and that if any one or more of the below conditions is invalid, this entitlement would not have been granted without requiring other valid conditions for achieving the purposes and intents of such approval. The approval of the project is contingent upon compliance with all the conditions listed below. Use shall not commence until all conditions of approval have been complied with. Additional permits and fees are/may be required. **It is the responsibility of the applicant to pursue and demonstrate compliance.**

Conditions of Approval

1. Obtain building permits for the proposed project.
2. Comply with all applicable federal, state, and local codes. Failure to comply may result in issuance of a citation and/or revocation of approval.
3. Comply with the latest adopted ordinances, resolutions, policies, and fees adopted by the City Council at the time of building permit review and approval.
4. No exterior signs are approved with this permit. A separate sign permit is required.

This Minor Conditional Use Permit is hereby approved on June 15, 2023, for the duration of the use provided that conditions are complied with and that the use has commenced within 24 months from the approval date. The approval is subject to appeal within ten calendar days from the date of approval.
