LATE CORRESPONDENCE

15. REPORT ITEMS

15.1 REPORT - CITY ASSET NAMING AND RENAMING POLICY

BACKGROUND: The purpose of this policy is to establish uniform

guidelines for naming and renaming of City of Santa Rosa (City) Assets. This policy is crafted to ensure that naming and renaming of City Assets reflect the City's rich historic and cultural values including the diversity, equity and inclusion for all community members and visitors. City Asset names should primarily honor places, history, persons, organizations, events and the natural environment with a focus on local significance and may also reflect California or national names when appropriate. If adopted, this policy will replace Council Policy 000-25, titled "Park Naming Policy and Procedure."

RECOMMENDATION: The City Manager's Office recommends that the Council, by resolution, adopt Council Policy Number 000-XXX titled, "City Asset Naming and Renaming Policy" and rescind Council Policy 000-25 titled, "Park Naming Policy and Procedure." This item has no impact on current fiscal year budget.

Jason Nutt, Assistant City Manager, presented and answered questions from Council.

PUBLIC COMMENTS:

Connie Jenkins spoke in support of the item and requested additional clarity on the policy to make it more approachable to understand.

Duane De Witt spoke on the item and acknowledged current efforts to rename Roseland Creek Community Park and requested clarity on the renaming queue for various assets.

A motion was made by Council Member Okrepkie, seconded by Vice Mayor Alvarez, to waive reading of the text and adopt as amended

RESOLUTION NO. RES-2025-164 ENTITLED: RESOLUTION OF THE COUNCIL OF THE CITY OF SANTA ROSA ADOPTING COUNCIL POLICY 000-075 TITLED "CITY ASSET NAMING AND RENAMING POLICY"

Yes: 6 - Mayor Mark Stapp, Vice Mayor Eddie Alvarez, Council Member Caroline Bañuelos, Council Member Dianna MacDonald, Council Member Jeff Okrepkie, and Council Member Natalie Rogers

Absent: 1 - Council Member Victoria Fleming

15.2 REPORT - ADOPTION OF THE REVISED PUBLIC STORM DRAIN STANDARDS AND DELEGATION OF APPROVAL AUTHORITY FOR FUTURE REVISIONS TO THE BOARD OF PUBLIC UTILITIES

BACKGROUND: The Public Storm Drain Standards (Standards) set forth the design policies and construction methods associated with additions and modifications to the public storm drain infrastructure for both private development and capital improvement projects. The standards, details, and specifications require routine revisions to ensure that new installations and modifications are consistent with various regulations, references, industry best practices, industry needs, and operational needs to serve the community's urban environment. The delegation of approval authority is consistent with the general policy and management authority over the public storm drain infrastructure granted to the Board under Section 25 of the Charter of the City of Santa Rosa (City) and City Council Resolution RES-2017-177, which delegated approval authority of the Potable Water, Recycled Water, and Sewer Design Standards, Construction Standards, and Construction Specifications to the Board of Public Utilities (BPU).

RECOMMENDATION: The Planning and Economic Development and Water Departments recommend that the Council, by resolution, adopt the revised Public Storm Drain Standards, with an effective date 30 days from the date of adoption, and delegate authority to the Board of Public Utilities to adopt future revisions to the standards. This item has no impact on current fiscal year budget.

Gabe Osburn, Director - Planning and Economic Development, Flannery Banks, Supervising Engineer, and Cleve Gurney, Deputy Director - Engineering Development Services, presented and answered questions from Council.

No public comments were made.

A motion was made by Council Member MacDonald, seconded by Council Member Rogers, to waive reading of the text and adopt
