The Program also works with law enforcement, parks systems and water agencies to address issues that arise from activities related to homelessness.
- C. Following this process, Contractor was selected to continue as the provider of the Program.
- D. CITY wishes to fund the PROGRAM, using Federal American Rescue Plan Act (ARPA) and local funds.
- E. The parties have negotiated upon the terms pursuant to which Contractor will administer and conduct the Program and City will fund the Program and have herein reduced such terms to writing.

2. TERM OF AGREEMENT

The initial term of this Agreement shall commence on July 1, 2022 and end on June 30, 2023. The City will consider renewing the Agreement in subsequent years based on factors including Contractor performance and funding availability for the

periods July 1, 2023 through June 30, 2024 (Year 2), July 1, 2024 through June 30, 2025 (Year 3), July 1, 2025 through June 30, 2026 (Year 4), and July 1, 2026 through June 30, 2027 (Year 5).

Affirmative steps must be taken to communicate with people who need services or information in a language other than English. A policy must be developed to serve applicants, participants, and persons eligible for housing assistance and support services.

Contractor must analyze the various kinds of contacts it has with the public to assess language needs and decide what reasonable steps should be taken. In order to determine the level of access needed by LEP persons, the following four factors must be balanced:

1. The number or proportion of LEP persons eligible to be served or likely to be applying for Program services;

A person with Limited English Proficiency (LEP) is a person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English. Affirmative steps must be taken to communicate with people who need services or information in a language other than English. A policy must be developed to serve applicants, participants, and/or persons eligible for housing assistance and support services.

Contractor must analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. In order to determine the level of access needed by LEP persons, the following four factors must be balanced:

- i. the number or proportion of LEP persons eligible to be served or likely to be applying for program services;
- ii. the frequency with which LEP persons utilize these programs and services;
- iii. the nature and importance of the program, activity, or service provided; and
- iv. the benefits from providing LEP services, and the resources available and costs to the CDC for those services.

- h. Age Discrimination Act of 1975

The Age Discrimination Act of 1975, as amended, prohibits discrimination because of age in programs and activities receiving Federal financial assistance.

Other Contractor costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
 - i. The costs result from obligations which were properly incurred by Contractor before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and
 - ii. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
- d. RELATIONSHIP TO DEBARMENT AND SUSPENSION: The enforcement remedies identified in this section, including suspension and termination, do not preclude Contractor from being subject to 2 CFR part 2424 (see 24 CFR §85.35).
