14. REPORT ITEMS

- 14.1** REPORT - AMENDMENT TO COUNCIL POLICY 300-04 - DEVELOPMENT OF TELECOMMUNICATION FACILITIES ON CITY PROPERTY AND INSTALLATION OF ANTENNAS ON CITY FACILITIES

BACKGROUND: Over the past year, the City has been contacted by a handful of wireless communications service providers expressing strong interest in accessing and using City-controlled spaces on utility poles and streetlight poles for the purpose of installing wireless antennas and related infrastructure. Wireless communications companies are

experiencing increasing demand for fourth generation (“4G”) wireless communications services and are expanding their wireless antenna networks to improve both broadband facilities’ capacity and coverage in Santa Rosa. The City has been supportive of the placement of advanced wireless communications facilities in Santa Rosa since Congress enacted the Telecommunications Act of 1996 (the “1996 Act”). In July 2000, the Council adopted Policy 300-04 (“Development of telecommunications Facilities on City Property and Installation of antennas on City Facilities”), which set forth a process and parameters for allowing wireless services to access City properties.

RECOMMENDATION: It is recommended by the Information Technology and Transportation and Public Works Departments that the Council, by resolution, amend Council Policy 300-04, “Development of Telecommunication Facilities on City Property and Installation of Antennas on City Facilities” and exclude telecommunications encroachments from other continuing encroachments addressed pursuant to Council Resolution No. 26620.

Presented by Eric McHenry, Director and Chief Information Officer.

14.3

REPORT - ADMINISTRATIVE AGREEMENT FOR COLLECTION OF ASSESSMENTS FOR SONOMA COUNTY TOURISM BUSINESS IMPROVEMENT AREA, RETROACTIVE TO THE TERMINATION DATE OF THE LAST AGREEMENT ON JUNE 30, 2015, TO ACCOMMODATE ASSESSMENTS REMITTED BETWEEN JULY 2015 AND MARCH 2016; AND REMITTANCE OF ANY ASSESSMENT FUNDS COLLECTED BUT NOT REMITTED BETWEEN JUNE 30, 2015, AND THE SIGNING OF A NEW AGREEMENT

BACKGROUND: Through Sonoma County Code Chapter 33, the County has formed a Tourism Business Improvement Area (SCTBIA) that allows a levy of two percent (2%) of rent charged by lodging operators to be assessed on lodging operators generating total gross rent greater than \$350,000 in the preceding fiscal year (July 1 to June 30). The City of Santa Rosa (City) consented to the formation of the SCTBIA and to the collection of BIA assessments from lodging operators located within the City through Resolution No. 25954, passed by a vote of 6-0-1 by City Council on May 4, 2004. The Sonoma County Tourism Bureau administers the funds through marketing and promotions programs that encourage tourism and overnight stay to the benefit of the assessed lodging establishments.

Due to a gap between the June 30, 2015, termination date of the last SCTBIA administrative agreement between the County and the City, and this newly proposed agreement, assessments totaling \$870,735.49 were collected by the City and remitted out of contract between July 2015 and March 2016. An additional \$740,191.94 was collected but not remitted between April to September 2016. Hence the request to approve a new

agreement retroactive to the termination date of the last agreement and the additional request of Council to release the remaining unremitted funds. The new agreement waives any penalty for late remittance of the funds through March 2017. The October to December 2016 assessments will be collected and reconciled in February 2017, and are unknown at the writing of this report.

Tourism is one of the key industry sectors in Santa Rosa, and a focus of the Economic Sustainability Strategy as it produces a revenue stream through Transient Occupancy Tax, sales tax, and the Santa Rosa Tourism Business Improvement Area assessment. As such, programs that increase tourism and enhance destination awareness are consistent with and further Council Goal One: Create a Strong, Sustainable Economic Base.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by resolution, approve a retroactive agreement for collection of assessments on Santa Rosa lodging establishments resulting from Santa Rosa's participation in the Sonoma County Tourism Business Improvement Area (SRTBIA) per Resolution Number 25954. It is further recommended that the Council, by resolution, authorize the remittance of any assessment funds collected but not remitted between June 30, 2015, and the signing of a new agreement.

Presented by Raissa De La Rosa, Acting Economic Development Manager.

PUBLIC COMMENT

Thomas Ells spoke in support of the item.

A motion was made by Council Member Sawyer, seconded by Council Member Olivares, to waive reading of the text and adopt:

Absent: 1 - Council Member Combs

14.4 **REPORT - BALLOT ARGUMENTS FOR CANNABIS INDUSTRY TAX MEASURE**

BACKGROUND: Under the California Elections Code, the City Council has the first priority to submit ballot arguments in favor of the proposed measure, and if any opposition argument is filed against the measure, to submit a rebuttal argument to that opposition argument. Alternatively, under the Elections Code, the Council may authorize one or more of its members to submit the argument. If the City Council chooses not to submit, or have its members submit, an argument in favor of the measure, then under the Elections Code, the arguments may be authored either by a bona fide association of citizens or by individual voters who are eligible to vote on the measure.

RECOMMENDATION: Staff recommends that the Council, by motion, determine whether it wishes to submit a ballot argument and rebuttal argument in favor of a proposed measure for the June 6, 2017 ballot to authorize the Council to impose a local business tax on the cannabis industry at rates high enough to cover the costs to the City of allowing this emerging industry to operate in Santa Rosa; and determine the process by which Council will draft the ballot arguments, should it choose to submit arguments for the measure.

Presented by Teresa Stricker, Interim City Attorney.

PUBLIC COMMENT

Elaine B. Holtz spoke in support of the item.

A motion was made by Council Member Olivares, seconded by Council Member Sawyer, to delegate an Ad Hoc Council Committee to draft and bring back on March 7, 2017 for Council approval of the ballot argument in favor of a proposed measure for the June 6, 2017 ballot to authorize the Council to impose a local business tax on the cannabis industry at rates high enough to cover the costs to the City of allowing this emerging industry to operate in Santa Rosa; and that the rebuttal argument be submitted by the same delegated Ad Hoc Council Committee without it returning back to Council. RECOMMENDATION: Staff recommends that the Council, by motion, determine whether it wishes to submit a ballot argument and rebuttal argument in favor of the measure for the June 6, 2017 ballot to make effective those portions of Ordinance No. 4072 (Rent Stabilization and Other Tenant Protections Ordinance) suspended by the previous submission of a qualified

15.1 PUBLIC HEARING - RESOLUTION AUTHORIZING FILING OF APPLICATION FOR FTA SECTION 5310-ENHANCED MOBILITY OF SENIORS AND INDIVIDUALS WITH DISABILITIES GRANT FUNDING WITH CALTRANS FOR THE PURCHASE OF REPLACEMENT VEHICLES AND ANTENNA EQUIPMENT

BACKGROUND: Federal Transit Administration Section 5310 program funds are appropriated to urbanized area (UZA) across the United States. Santa Rosa area applications are managed by Caltrans with technical assistance provided by Metropolitan Transportation Commission (MTC) and Sonoma County Transportation Authority (SCTA). The Santa Rosa urbanized area is allotted a three-year programming amount of about \$680,000. grant application. This item relates to Council Goal 3.1: "Improve transportation network to reduce vehicle miles traveled and promote multi-modal transportation."

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that the Council: 1) hold a public hearing and find that no private non-profit is readily available to provide paratransit services in the region; and, 2) by resolution, authorize the City Manager or designee to execute and file a grant application with the California Department of Transportation (Caltrans) under Federal Transit Act Section 5310 (49 U.S.C. § 5310) Enhanced Mobility of Seniors and Individuals with Disabilities program to purchase four replacement ADA paratransit vehicles, one Oakmont Senior Community vehicle and antenna equipment for paratransit vehicles.

PUBLIC HEARING - RESOLUTION FOR THE ESTABLISHMENT OF AN UNDERGROUND UTILITY DISTRICT ON FULTON ROAD BETWEEN GUERNEVILLE ROAD AND PINER ROAD

BACKGROUND: The procedure for forming an Underground Utility District (UUD), consistent with the California Public Utility Commission (CPUC), is defined in the Santa Rosa City Code Chapter 13-12 Underground Utilities. Formation of the UUD will allow PG&E to utilize Rule 20A funds it has collected from the Santa Rosa rate payers to underground the overhead utilities within the district boundaries.

The purpose of establishing an UUD is to define the boundaries of all affected parcels. The proposed Fulton Road UUD, between Guerneville Road and Piner Road, would underground the overhead PG&E electrical, AT&T, and Comcast communication lines and remove all of the utility poles within the proposed district boundary.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department that Council, by resolution, approve the establishment of an Underground Utility District on Fulton Road between Guerneville Road and Piner Road.
