

To Whom It May Concern:

I'm planning on having my food trailer parked on the parking lot from the tire shop located at 1124 Sebastopol Rd. The hours of operation will be from 5:30P.M. - 11:00P.M. Monday – Sunday. As of now I will only have two employees for the same hours 5:30-11:00P.M. There will not be any activities that can disturb the neighborhood. We will not be offering seating areas for eating only seats for waiting for the food. No deliveries will be made to this site all my food preparation and deliveries will be to the commissary kitchen that I will be renting.

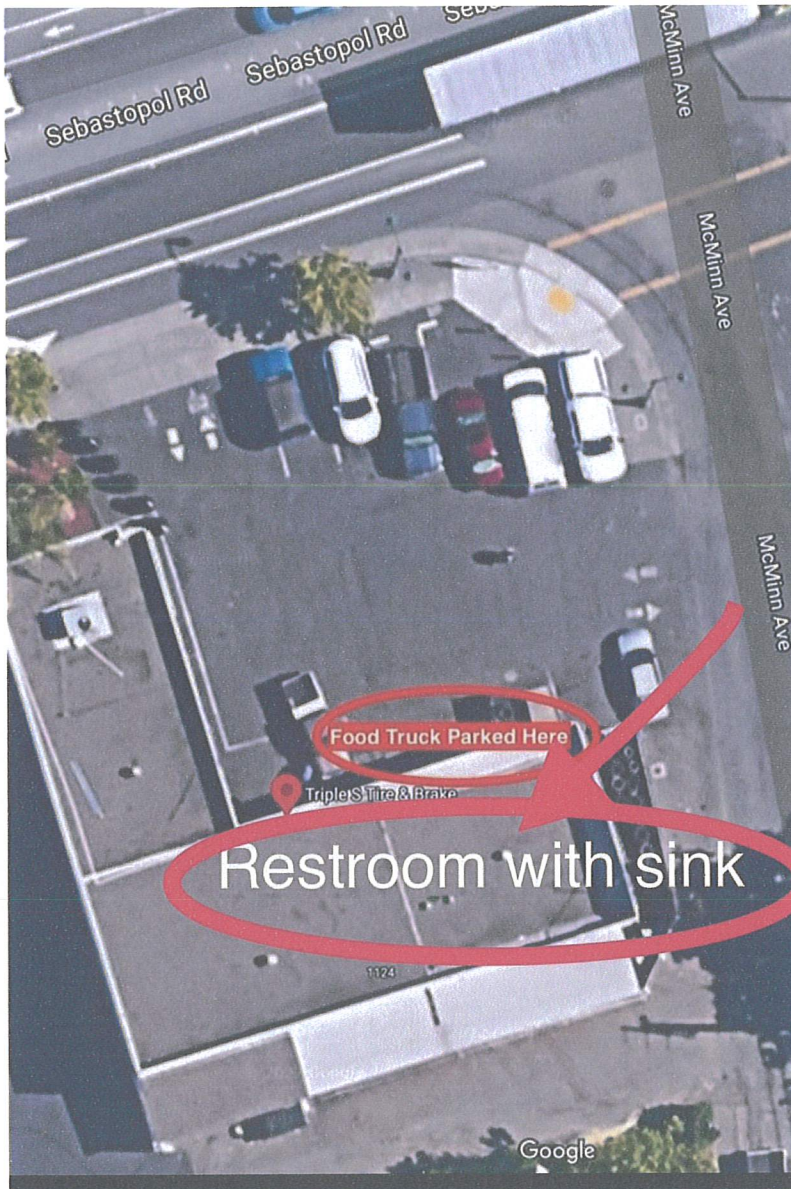

Thank You,
Daniel Pedraza
