Speakers who do not have an opportunity to speak during this time will be allowed to make public comment under Agenda Item 18.

15. REPORT ITEMS

15.1 REPORT - RESOLUTION - RATIFICATION OF PROCLAMATION OF LOCAL EMERGENCY

BACKGROUND: On March 2, 2020, the Director of Emergency Services issued a Proclamation of Existence of a Local Emergency relating to existence or threatened existence of conditions of extreme peril to the safety of persons and property within the City due to two presumptive positive cases of novel coronavirus (COVID 19) as confirmed by the County of Sonoma Department of Health Services and the anticipation of additional cases in Sonoma County from non-travel, community transmission due to the increase of these cases in the country, combined with the worldwide uncontrolled spread of COVID-19.

RECOMMENDATION: It is recommended that Council, by resolution, ratify the Proclamation of Existence of Local Emergency signed on March 2, 2020.

Attachments: [Resolution](#)
[Exhibit A - Proclamation of Local Emergency \(COVID-19\)](#)

15.2 REPORT - WATER SUPPLY ASSESSMENT FOR THE SANTA ROSA DOWNTOWN STATION AREA SPECIFIC PLAN UPDATE

BACKGROUND: State Senate Bill 610 requires water suppliers to provide a Water Supply Assessment (WSA) on certain large projects subject to the California Environmental Quality Act. The Water Department prepared this WSA for the proposed Santa Rosa Downtown Station Area Specific Plan Update (Project). The Project is projected to have approximately 7,399 new residential units, so it is subject to SB 610. The projected net increase in water demand due to the Project will be up to 870 acre-feet per year, and the City's existing and additional water supplies are sufficient to meet the projected water demand of the Project.

RECOMMENDATION: It is recommended by the Water Department that the Council, by resolution, approve the Water Supply Assessment for the proposed Santa Rosa Downtown Station Area Specific Plan Update.

15.3 REPORT - ACCESSORY DWELLING UNIT URGENCY ORDINANCE

BACKGROUND: The proposed City Code text amendment is proposed by way of urgency ordinance, amending Title 18 of the Santa Rosa City Code - modifying Section 18-12.015, and amending Title 20 of the Santa Rosa City Code - modifying Sections 20-30.040, 20-32.050, 20-42.130 and 20-70.020 to allow Accessory Dwelling Units and Junior Accessory Dwelling Units in compliance with State law and in support of the City's Housing Action Plan, while preserving the visual character of the City.

In 2019, five bills governing Accessory Dwelling Units were signed by the Governor of California. These State bills limit local control of Accessory Dwelling Units (ADUs) and create further opportunities for the development of Junior ADUs (JADUs), necessitating revisions to the City of Santa Rosa Zoning Code for consistency.

Housing remains a Tier One Council priority. The voluntary non-State mandated modifications in the proposed Ordinance reduce obstacles to ADU construction and include protections for the City's hillside areas and neighborhoods, including Preservation Districts.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by motion, adopt an urgency ordinance amending City Code Sections 18-12.015, 20-30.040, 20-32.050, 20-42.130 and 20-70.020 to allow Accessory Dwelling Units and Junior Accessory Dwelling Units in compliance with State law and in support of the City's Housing Action Plan, while preserving the visual character of the City.

15.4 REPORT - PROFESSIONAL SERVICE AGREEMENT WITH PLACEWORKS, INC. FOR PREPARATION OF THE SANTA ROSA 2050 GENERAL PLAN AND ENVIRONMENTAL IMPACT REPORT

BACKGROUND: On August 13, 2019, the Council authorized Planning and Economic Development Department to retain consulting services to prepare the Santa Rosa 2050 General Plan Update and Environmental Impact Report. Staff initiated a competitive bid process to solicit proposals for consulting services and, after reviewing submitted proposals, staff recommends PlaceWorks, of Berkeley, California, as the most qualified consultant to complete the project.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by resolution, (1) approve a Professional Services Agreement with PlaceWorks, Inc., of Berkeley, California, for public engagement, planning, and environmental review services for a three-year period to prepare the Santa Rosa 2050 General Plan Update and Environmental Impact Report in an amount not to exceed \$2,500,000, and (2) appropriate \$1,605,314 from the City's General Fund reserves, with \$1,393,394 allocated to fund the balance of the proposed agreement with PlaceWorks, Inc. and \$211,920 allocated for related City staff costs.

****16.2** PUBLIC HEARING (APPEAL) - CARPENTER URBAN COTTAGES
(DAVID CARPENTER) APPEAL OF THE CULTURAL HERITAGE
BOARD DECISION TO DENY THE LANDMARK ALTERATION

PERMIT FOR TWO PAIRS OF SINGLE-FAMILY ATTACHED UNITS PROPOSED AT 25 RAE STREET AND 715 TUPPER STREET, SANTA ROSA, CA 95404; ASSESSOR'S PARCEL NUMBERS 009-201-004 AND 009-201-009; FILE NO. LMA15-013

BACKGROUND: On September 4, 2019, the Cultural Heritage Board effectively denied a Landmark Alteration Permit (LMA) for the proposed Carpenter Urban Cottages project by voting 2 ayes, 2 noes on a motion to approve the construction of four attached residential cottages over two lots at 715 Tupper Street and 25 Rae Street. On September 16, 2019, the applicant, David Carpenter, filed an appeal of the Cultural Heritage Board's denial of the Project. The grounds for the appeal include that the application meets or exceeds all requirements for approval and staff recommended its approval, that the project is consistent with the General Plan and Zoning Ordinance, that the project meets all height requirements and the project incorporated input from a previous Cultural Heritage Board meeting reviewing a conceptual design.

RECOMMENDATION: It is recommended by the Cultural Heritage Board that the Council, by resolution, deny the appeal and uphold the Board's decision to deny the Landmark Alteration Permit for the Carpenter Urban Cottages project, located at 715 Tupper Street and 25 Rae Street.
