

Proposed Changes to the Local WUI Area Mapping

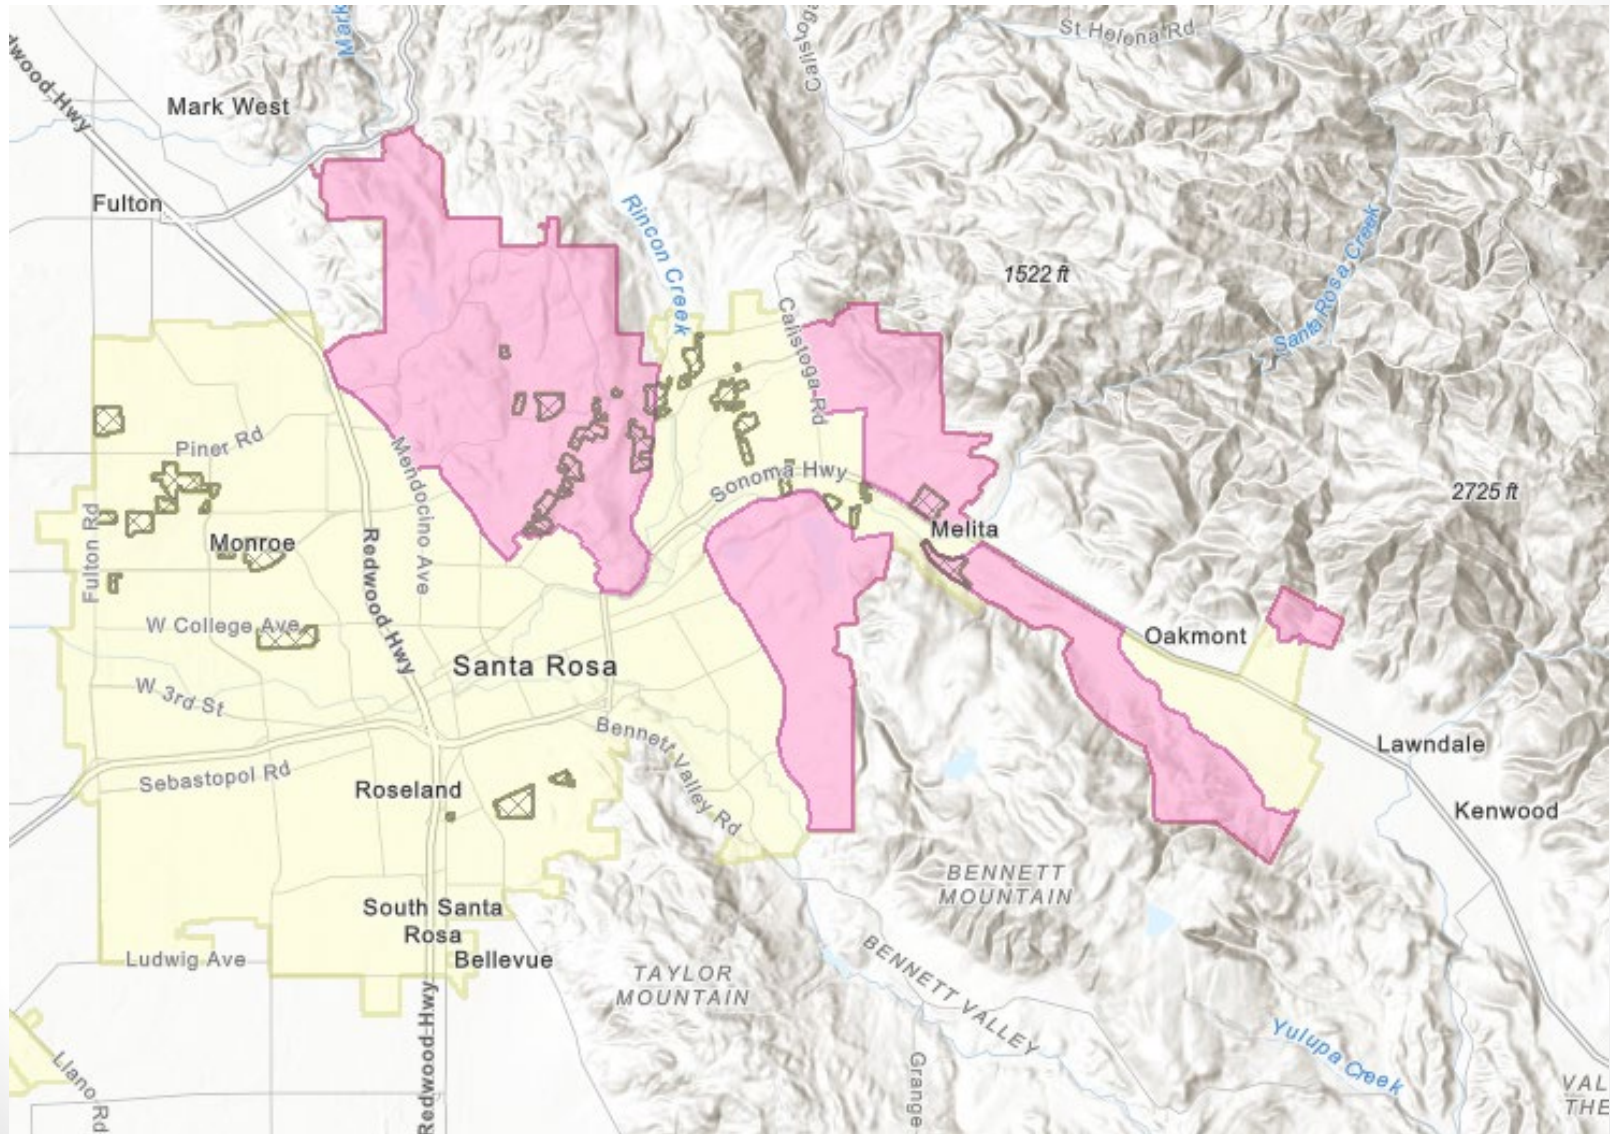

Paul Lowenthal
Fire Marshal, Fire Department

Consider Expanding the WUI

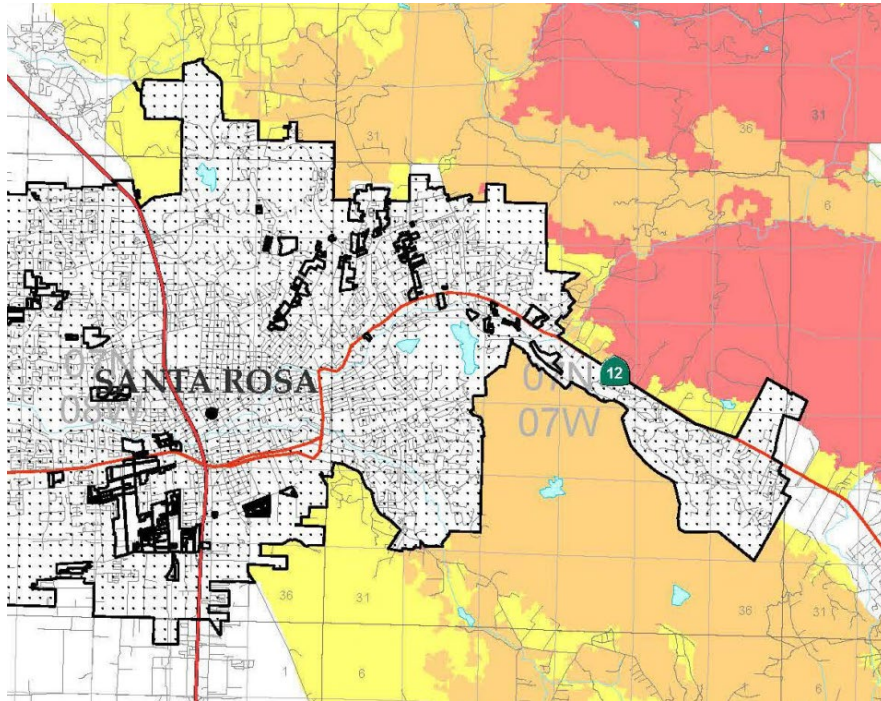

Action Items Identified

- Originally based on feedback of the community through the CWPP, the existing Wildland Urban Interface Fire Area for the City of Santa Rosa was examined.
 - Coffey Park - Determined that the current area outside of the existing WUI did not meet the intention of the designation.
- December 2022, CAL FIRE released new SRA maps of the Fire Hazard Severity Zones
- February 2025, CAL FIRE release new LRA maps of the Fire Hazard Severity Zones in Santa Rosa
 - Council in March/April 2025 for adoption as required by law.
