

ADDITIONAL FUNDING FOR PURCHASE OF COMPUTER EQUIPMENT THROUGH DELL, INC.

Kristie Bartlett, IT Manager
Information Technology Department
November 5, 2019

This resolution is to request additional funding for purchases of computers (PC's) and servers with Dell, Inc. The City has designed a selection, purchasing and deployment process optimized for efficiency and cost management for the purchase replacement of approximately 1,800 PCs, laptops and tablets and servers for city staff use.

The increase in cost is due to several factors, including the increase in cost of PC hardware and server needs. The IT department has added additional applications that require server resources that were not foreseen at the time of the original request in 2017.
