BACKGROUND: The Santa Rosa Tourism Business Improvement Area

(SRTBIA) was established by City Council in 2010 to fund programs and activities that promote tourism and support local lodging establishments. A 3% assessment is collected from overnight guests at Santa Rosa hotels, with revenues dedicated to marketing and tourism efforts that encourage overnight stays. After a 2% administrative fee, 30% of the remaining funds are managed by the City's Economic Development Division and 70% are directed to the Santa Rosa Metro Chamber for tourism services and welcome center operations. The SRTBIA Advisory Board, appointed by Council, provides recommendations on fund expenditures and prepares an Annual Report detailing activities, costs, and benefits to the Area, which the Council adopts each year.

RECOMMENDATION: The Planning and Economic Development Department recommends that the Council, by resolution, approve the 2024 Santa Rosa Tourism Business Improvement Area (SRTBIA) Annual Report, Budget and future Work Plan and the continuation of the annual assessment on Santa Rosa lodging businesses as further defined in § 6-56.300 et seq, in City of Santa Rosa code. 16. PUBLIC HEARINGS

Public Hearing matters will begin no earlier than 5:00 p.m. or as soon thereafter as the matters are reached on the agenda.

16.1 PUBLIC HEARING - GENERAL PLAN 2050 MUNICIPAL CODE AND ZONING MAP IMPLEMENTATION

BACKGROUND: In June 2025, the City Council adopted the General Plan 2050, which establishes a long-term vision for Santa Rosa's physical development. Implementation of the General Plan occurs through multiple avenues, including the review of new development projects, guidance for City staff work plans, and direction for public

investments in infrastructure and facilities. In addition to these tools, amendments to the Municipal Code, Zoning Code, and Zoning Map are necessary to fully align the City's regulatory framework with the General Plan. The proposed Municipal and Zoning Code and Map amendments serve to codify policies and land use changes already established in the General Plan 2050. This package includes a Zoning Code text amendment to create the Missing Middle Housing (MMH) Combining District, along with a rezoning action to apply the MMH Combining District to 1,991 parcels. In addition, as required by State law, 2,089 parcels citywide are proposed to be rezoned to ensure consistency between zoning designations and the General Plan land use map. Additional amendments include updates to Title 18 - Buildings and Construction to streamline permitting for electric vehicle charging infrastructure; revisions to Title 19 - Park and Recreation Land and Fees to align park dedication and improvement requirements with General Plan policies; and the elimination of the Growth Management Ordinance in Title 21, which was removed from the General Plan 2050 to better support the City's housing production goals.

RECOMMENDATION: The Planning Commission and the Planning and Economic Development Department recommend that the Council introduce three ordinances to 1) amend Municipal Code Titles 18, 19, 20 and 21 to implement the General Plan 2050; 2) rezone 2,089 properties to implement the existing General Plan land use designation; and 3) rezone 1,991 properties to add the Missing Middle Housing Combining District; and direct staff to bring forward a General Plan land use amendment to resolve General Plan land use and zoning inconsistencies for certain properties within the City. This item has no impact on current fiscal year budget.

16.2 PUBLIC HEARING - DEVELOPMENT RELATED COST OF SERVICE FEE UPDATE

BACKGROUND: In June of 2022, the Planning and Economic Development Department contracted with MGT Consulting Group to conduct a cost-of-service study evaluating the full labor and indirect costs of providing development review services. On March 5, 2024, the City Council adopted a comprehensive update to the Development Services Fee Schedule based on MGT's findings and approved several fee subsidies and reductions to advance City development goals and encourage participation in public health, safety, and appeal processes. Over the past year, the Department has gathered community feedback on the adopted fees and developed a series of minor amendments to address this input and better align fees with current review times. Staff recommends that all fees continue to adjust annually on July 1st in

accordance with changes in the Consumer Price Index (CPI). Proposed fee amendments will take effect 60 days from the date of resolution adoption.

RECOMMENDATION: The Planning and Economic Development Department recommends that the Council, by resolution: 1) adopt the proposed adjustments to certain development service fees; and 2) authorize the Planning and Economic Development Director to adjust all fee types identified within Exhibit A of the accompanying resolution on July 1st of each year based on price changes as identified by the Consumer Price Index.
