

CITY OF SANTA ROSA NOTICE OF PUBLIC HEARING

ADOPTION OF AN UNDERGROUND UTILITY DISTRICT ON FULTON ROAD BETWEEN GUERNEVILLE ROAD AND PINER ROAD.

Notice is hereby given that a public hearing will be conducted by the City Council on Tuesday, February 14, 2017, at or after 5:30 p.m., in the City Council Chamber, City Hall, 100 Santa Rosa Avenue, Santa Rosa. The purpose of the public hearing will be to receive public comment and recommendations prior to the City Council acting on the formation of an Underground Utility District (UUD) on Fulton Road between Guerneville Road and Piner Road.

At no cost to the property owners, this work would underground the overhead power, phone and cable services along Fulton Road as part of Phase 1 of the Fulton Road Widening project.

PG&E's Rule 20A Program provides funds in the form of credits from PG&E to underground their utilities in districts as designated by the City Council. Each year the City of Santa Rosa accumulates \$463,956 in credits toward this program to improve the safety and aesthetics in areas of high use by the community. The proposed UUD would underground the overhead PG&E electrical, AT&T and Comcast communication lines and remove the utility distribution poles within the proposed district boundary.

Comments and questions may be directed to Chris Catbagan, Transportation and Public Works Department, City of Santa Rosa, 69 Stony Circle, Santa Rosa, CA 95401, telephone (707) 543-4521 or e-mail: ccatbagan@srcity.org.

Daisy Gomez, City Clerk, City of Santa Rosa
