SUBJECT: RESOLUTION DECLARING WEEDS AND RUBBISH IN THE
SANTA ROSA CITY LIMITS A PUBLIC NUISANCE

AGENDA ACTION: RESOLUTION

RECOMMENDATION

It is recommended by the Fire Department that Council, by resolution, over rule any protests and authorize the Fire Department to abate the nuisances.

EXECUTIVE SUMMARY

Approval of this resolution will ensure that City Ordinance 3681 is upheld during the declared fire season for the safety of our community.

BACKGROUND

1. On February 4, 2016, Council declared by resolution, weeds and rubbish as a public nuisance. The second procedure is to publish a notice for a public hearing, at which time a person or persons may voice an objection to the Weed and rubbish Abatement Program. After hearing any or all protests, the Council, by resolution, may grant or overrule any protest and authorize the Fire Department to abate the nuisances.
2. Chapter 9-08 of the Santa Rosa City Code requires a public hearing to hear all objections or protests to the proposed removal of weed and rubbish upon property that such a public nuisance has been declared to exist.
3. The City Council grants or overrules any such protests.
4. The City Council, then, by resolution, may authorize the Fire Department to abate all weeds and rubbish on or upon private property within the City of Santa Rosa.
