

Federal Transit Administration Grant Submittal

City Council Meeting
October 18, 2016

Pam Lorence
Research and Program Coordinator
Transportation and Public Works - Transit

CURRENT

- Transit division receives grant funding from Federal Transit Administration (FTA)
- A new Council resolution is required under the new legislation
 - Fixing America's Surface Transportation (FAST) Act of 2015

PROPOSED

- Submit grant applications and all other required documentation with the Federal Transit Administration to receive federal funding

RECOMMENDATION

- Authorize the City Manager or designee to execute and file standard grant applications and all other required documentation with the Federal Transit Administration; acknowledging the City's eligibility to continue to receive these grant funds as the City has for many years
