October Through September

Sonoma Water: Winter Operations

- December 23: SWRCB Temporary Urgency Change Order in effect through June 21
- For determining minimum instream flows, requests water year hydrologic index to be based on storage in Lake Mendocino instead of cumulative inflow to Lake Pillsbury
- Current water supply conditions: *NORMAL*

TURF'S UP!

Tree Care and Lawn Conversion in a New Regulatory Landscape

Wednesday, February 11, 2026
08.00 AM - 12.30 PM

 Finley Center
2060 W College Ave, Santa Rosa

California law, AB1572, bans irrigating nonfunctional turf with potable water for HOA, commercial, industrial, institutional, and public properties.

Join industry experts, property managers, and contractors to:

- ✓ Understand compliance timelines
- ✓ Discover available resources
- ✓ Define nonfunctional turf
- ✓ Maintain tree health
- ✓ Earn CEU's
