

# Bay Area Healthy Transit Plan

City Council Meeting  
October 13, 2020

Matt Wilcox  
Transit Planner, Transportation and Public Works

# CURRENT

- *Riding Together: Bay Area Healthy Transit Plan* developed by Bay Area transit operators under auspices of MTC Blue Ribbon Transit Recovery Task Force
- Goal is to establish a uniform set of health and safety practices to be implemented by all Bay Area transit operators in response to the COVID-19 pandemic

# PROPOSED

- Plan includes health and safety practices in the areas of personal protective equipment (PPE), social distancing, face coverings, vehicle and facility cleaning and disinfection, among other areas
  - Aligns closely with practices already implemented for Santa Rosa CityBus and Santa Rosa Paratransit
- Requires monthly reporting of key metrics to public dashboard

# BENEFIT

- Establishes uniform baseline set of health and safety practices that riders and employees can count on throughout Bay Area transit system during COVID-19 pandemic

# RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by resolution, support implementation of the *Riding Together: Bay Area Healthy Transit Plan*, which includes monthly reporting from City staff on Santa Rosa CityBus's performance in implementing the baseline metrics set forth in the plan.
- Questions?
