**EXHIBIT A-2: SCOPE OF SERVICES****January 1, 2024 - June 30, 2026****HOME-ARP PROGRAM  
CATHOLIC CHARITIES OF THE DIOCESE OF SANTA ROSA  
DBA CATHOLIC CHARITIES OF NORTHWEST CALIFORNIA****1. Program Summary**

Contractor's HOME-ARP Program (Program) seeks to prevent and end episodes of homelessness for Santa Rosa's most vulnerable adults and families with children, including those fleeing or attempting to flee domestic/dating violence and human trafficking. The two main goals of the Program include:

- 1) Prevent and end episodes of homelessness through housing counseling, financial and income growth education, and temporary financial assistance.
- 2) Support individuals and families experiencing or at-risk of homelessness by supporting their mental health as a key contributor to the ability to secure and retain housing.

The Program is intended to provide supportive services to qualifying individuals or families aligned with [U.S. Department of Housing and Urban Development's \(HUD\) Notice CPD-21-10](#) (HOME-ARP Final Notice<sup>1</sup>) and [City of Santa Rosa's HOME-ARP Allocation Plan](#).

**2. Qualifying Populations**

Services **must** be used to benefit the HOME-ARP Qualifying Populations and **all** services **must** be available to **all** qualifying populations under the HOME-ARP program. These populations are described in detail in [HOME-ARP Final Notice](#) Section IV and summarized as follows:

- Homeless, as defined in [24 CFR 91.5 Homeless](#) (1), (2), or (3);
- At risk of Homelessness, as defined in [24 CFR 91.5 At risk of homelessness](#);
- Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking as defined by HUD;
- Other populations where providing supportive services or assistance under section 212(a) of the HOME Act [42 U.S.C. § 12742 \(a\)](#) would prevent the family's homelessness or would serve those with the greatest risk of housing instability;
- Veterans and families that include a veteran family member that met one of the proceeding criteria.

---

<sup>1</sup> HOME-ARP Final Notice can be found at <https://www.hud.gov/sites/dfiles/OCHCO/documents/2021-10cpdn.pdf>

Contractor will be required to set forth a City-approved certification and selection process to ensure that individuals and families receiving the supportive services meet the eligibility requirements.

Contractor must establish a City-approved waiting list for the activity(ies). All qualifying individuals and/or families must have access to apply for placement on the waiting list for the activity. Qualifying individuals or families on a waiting list must be accepted in chronological order, insofar as practicable.

### **3. Supportive Services**

Contractor may provide a broad range of supportive services to qualifying individuals or families as a separate activity or in combination with other eligible activities.

Eligible activities for provision of supportive services fall under three primary categories as defined by HUD in the [HOME-ARP Final Notice](#):

- McKinney-Vento Supportive Services, services listed in section 401(29) of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11360\(29\)](#);
- Homelessness Prevention Services, as described in [HOME-ARP Final Notice](#) Section VI.D.3. and Section VI.D.4; and
- Housing Counseling Services.

Contractor will provide the following eligible supportive services (further detailed in [HOME-ARP Final Notice](#) Section VI.D.4.c.i.):

- Housing Counseling;
- Financial Assistance; and
- Mental Health Services.

Financial assistance will be provided to pay housing owners, utility companies, and other third parties for the following costs, as applicable:

- Rental application fees;
- Security deposits;
- Utility deposits/payments;
- Moving costs;
- First and last month's rent;
- Payment of rental arrears; and
- Rental payments, not to exceed 24 months over any 3-year period subject to conditions described in [HOME-ARP Final Notice](#) Section VI.D.4.c.i.S.

Eligible HOME-ARP topics under Housing Counseling include Rental Housing Counseling Topics under [24 CFR 214/300\(e\)\(4\)](#), Pre-Purchase Homebuying Topics under [24 CFR 214/300\(e\)\(1\)](#), and Homeless Services Topics under [24 CFR 214/300\(e\)\(5\)](#).

Housing Counseling services will include, as applicable:

- Development of a housing counseling workplan;
- Financial and housing affordability analysis;
- Action plans that outline what Contractor and the client will do to meet the client's housing goals and that address the client's housing problem(s); and
- Follow-up communication with program participants.

The costs of implementing a specific activity or project, including staff costs to deliver supportive services, are considered HOME-ARP project delivery costs. Project delivery costs will include: 1) The costs of labor or supplies and materials incurred in directly providing supportive services to program participants. 2) The salary and benefit packages of the staff who directly deliver the services.

Operating expenses are defined as reasonable and necessary costs of operating the nonprofit organization. These costs include employee salaries, wages and other employee compensation and benefits; employee education, training, and travel; rent; utilities; communication costs; taxes; insurance; equipment, materials, and supplies. Operating expenses are to be used for the “general operating costs” of the non-profit organization that do not have a particular final cost objective. For example, operating expenses may not be used for staffing costs to provide supportive services.
