**5.1 GENERAL PLAN 2035 UPDATE**

The General Plan expresses the City's community vision and contains goals and policy that shape future housing and job development, foster healthy and resilient neighborhoods, protect and manage natural resources, and promote social and economic equity. The Santa Rosa General Plan 2035, which was adopted in November 2009, is in need of an update to address changes in State law, as well as changes in the community, since its adoption. While a limited scope update to address the State law changes would be sufficient, due to the recent focus on resiliency, housing, commercial and industrial uses and newly annexed land, among other issues, a comprehensive update to the General Plan is recommended.

## 17. PUBLIC HEARINGS

Public Hearing matters will begin no earlier than 5:00 p.m. or as soon thereafter as the matters are reached on the agenda.

### 17.1 PUBLIC HEARING - DENSITY BONUS ORDINANCE UPDATE

BACKGROUND: The amendment would update the Santa Rosa Zoning Code Chapter 20-31 (Density Bonus and Other Developer Incentives) to: (1) to conform with recent amendments to the State density bonus law, as codified in Government Code Section 65915, which allows eligible housing development (five or more dwelling units) within the City to increase residential density by up to 35 percent density above the applicable maximum general plan land use density; (2) add provisions for a local supplemental density bonus that allows eligible housing development within the boundaries of the Downtown Station Area Specific Plan and North Santa Rosa Station Area Specific Plan

areas within the City to increase residential density up to 100 percent above the applicable maximum general plan land use density; and (3) other procedural and administrative amendments, consistent with the State density bonus law, related to the definitions, review authorities, application requirements, review procedures, and findings. On October 25, 2018, following public hearings on both September 26 and October 25, 2018, the Planning Commission voted 5-1-1 to recommend that the City Council adopt the Negative Declaration and approve the Ordinance.

RECOMMENDATION: It is recommended by the Planning Commission and the Planning and Economic Development Department that the Council (1) by resolution adopt a Negative Declaration for the Density Bonus Ordinance Update, and (2) introduce an ordinance amending Chapter 20-31, Density Bonus and Other Developer Incentives, to be consistent with State law and to provide for supplemental density bonus options.
