

Contract Award – Annual Slurry Seal 2021

City Council Meeting
June 22, 2021

Supervising Engineer, Transportation and Public Works

Grant Bailey

BACKGROUND

- This project will apply slurry seal to various residential City streets
- Streets are slurried by applying a thin coating of liquid asphalt and sand
- Slurry seal prevents water intrusion, corrects minor cracking and improves skid resistance
- Priorities are established by the Pavement Management System

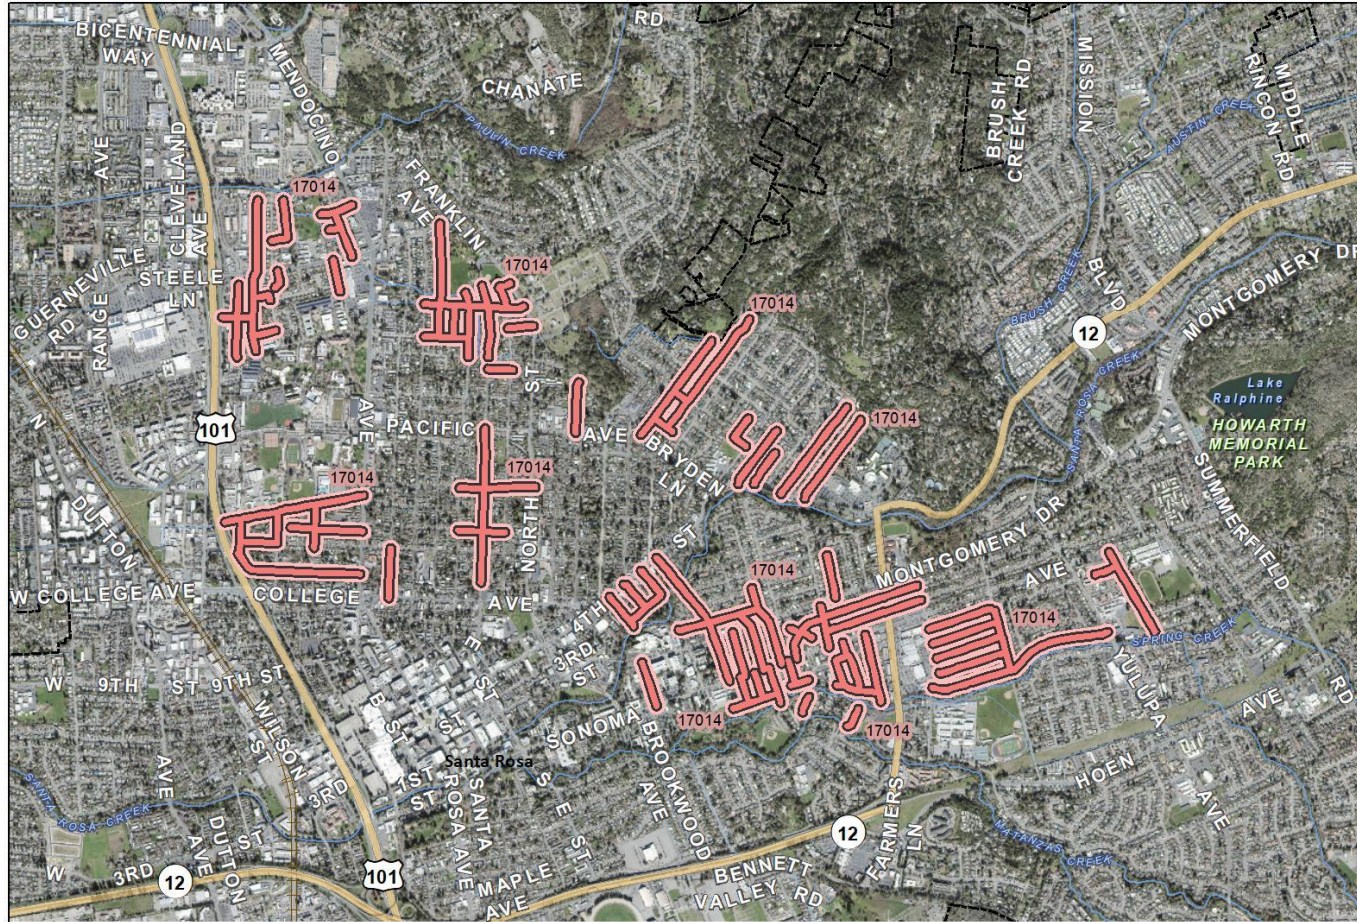

ANALYSIS

- The project was advertised on March 30, 2021, and 5 bids were received on April 29, 2021, ranging from \$494,080.00 to \$648,960.00.
- The low bid was 9% below the Engineer's Estimate.
- Construction is anticipated to begin in July 2021 and last 10 working days.

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that the Council, by motion, award Contract No. C02356, Annual Slurry Seal 2021, in the amount of \$494,080.00 to the lowest responsible bidder, VSS International, Inc. of West Sacramento, California, approve a 10% contract contingency, and authorize a total contract amount of \$543,488.00, effective July 1, 2021.
- Questions?
