

Amended Cooperative Purchase of Buses

City Council Meeting
October 2, 2018

Rachel Ede
Deputy Director
Transportation and Public Works - Transit

CURRENT

- The Transit Division currently has four Eldorado Axess 40-foot transit buses on order, entering the final production stage.
- Bus procurement approved by Council under resolution RES-2017-138 on July 18, 2017, and RES-2017-217 on November 1, 2017
- Purchased using options assigned to the City of Santa Rosa by the CalACT-MBTA Vehicle Purchasing Cooperative

PROPOSED

- Amend purchase order to include several final components needed to prepare buses for service in the CityBus system
- The additional components are standard in the CityBus system, but not included in the base specifications of the CalACT-MBTA Vehicle Purchasing Cooperative's solicitation.

BENEFIT

Final components include:

- Wiring for Clipper Card fare payment system
- Application of CityBus paint scheme and logos
- Graffiti guard protection for bus windows
- Standard rear destination signs
- Standard fuel necks for fast fueling
- Standard hubometers for tracking mileage

RECOMMENDATION

- It is recommended by the Transportation and Public Works Department, that the Council, by resolution, 1) authorize the Purchasing Agent to issue an amendment to purchase order 154728 to Creative Bus Sales, Inc. for the purchase of selected final bus components in an amount not to exceed \$150,810, to be funded with state TDA Article IV funds, 2) authorize the Director of Transportation and Public Works or designee to execute all documents necessary to affect the purchase, and 3) authorize the Chief Financial Officer to pay all proper claims for this purchase from Fund 1651, JL Key 45156.
