Upcoming Outreach

Upcoming Public Engagement Opportunities!

All upcoming project meetings will be listed here to ensure the community can attend and provide input during the development of the Active Transportation Plan. Scroll down to see a list of past meetings and to track how the project has moved through the process thus far.

- **Bicycle and Pedestrian Advisory Board, Thursday, April 18, 2024.** At this meeting, the BPAB will be presented a list of community outreach events occurring in April and May to complete Phase 1 of the Active Transportation Plan community engagement plan. At this meeting, the BPAB will also receive a presentation on the Final Existing Conditions Report. The Final Existing Conditions Report will form the basis of the Active Transportation Plan and is a key deliverable in the process.

Online Interactive Survey

Take the online **Interactive Mapping Survey**!

The online interactive map is the opportunity for the community and our partners to let us know where you'd like to see improvements on the active transportation network! Let us know where you walk, bike, roll, or take public transit and where you feel that improvements should be focused. These suggestions will form the basis of the projects and programs that will be adopted in the Final Active Transportation Plan.
