Hello Chair Meuser and members of the Cultural Heritage Board,

The reason for this email is to provide you with REVISED late correspondence for item 9.1 – Rosenberg’s Rules of Order Training, including the originally published presentation, scheduled for tonight’s meeting. The reason for the revision is per the request from our Assistant City Attorney, Ashle Crocker, whom will be providing the training tonight. She advised the original presentation was the one that should have been provided all along. I have attached it to this email and will update the agenda shortly.

Please let me know if you have any questions.

Best,
