Dear Mayor, Vice Mayor and Council members,

We live in district 2 and wanted to express our support for the campaign to save Bennett Valley Golf Course. The idea of a citizens' ran board to determine the highest and best way to maintain and enhance the current operations and facilities at Bennett Valley Golf Course and Galvin Park is the best solutions with out sending 150,000.00. This will benefit all Santa Rosa Residents and not waste this money with a study. Thank you

Sincerely,

Mary Lou and Charles Carrington
