

CONTRACT EXTENSION- SIXTH AMENDMENT – APPLIED PEST MANAGEMENT SYSTEMS

City Council Meeting
February 13, 2018

Alan Alton
Acting Chief Financial Officer, Finance

CURRENT

- Applied Pest Management provides pest management services to various locations throughout the City.
- Pest management services provide City staff with pest free working environments
- Additional sites to be serviced include the City Hall Campus.
- Additional services provided include the humane removal and relocation of Honeybees.

PROPOSED

- Extending term of contract for one additional year of services under this Agreement.
- Updating Exhibit A-1 and B-1 to the amendment to account for additional scope of work and sites to be serviced.
- During the term of the agreement, the vendor has provided satisfactory pest management services at sites throughout the City

BENEFIT

- Increase to available funds to provide continued pest management services City-wide.
- Provide additional services and increase frequencies to locations not previously identified in the contract.

RECOMMENDATION

- It is recommended by the Finance Department, that the Council, by resolution, approve a Sixth Amendment to Agreement F001077 Applied Pest Management, Inc., to add an additional year of site services and increase compensation amount by \$34,940.00 in the total amount not to exceed \$121,035.00.
