

# **CITY OF SANTA ROSA CITY COUNCIL**

**Project Name: Chanate Road Pedestrian  
Path**

**Planner: Noah Housh**

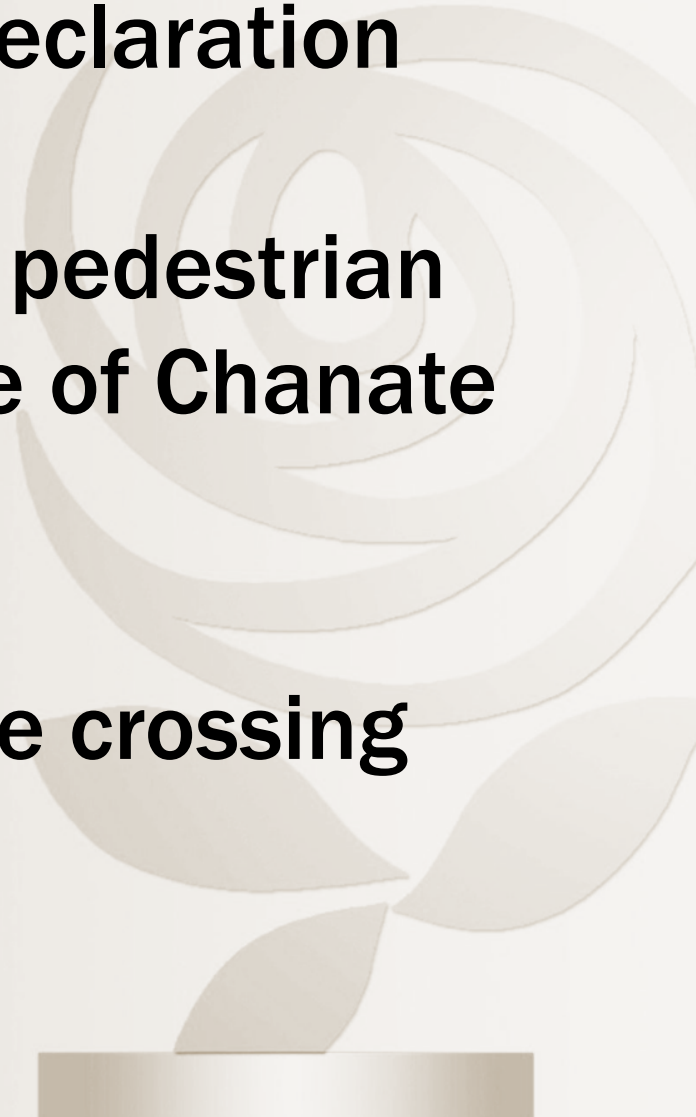

# PROJECT DESCRIPTION

**-CEQA Mitigated Negative Declaration**

**-Construct a 420 linear foot pedestrian path along the northern side of Chanate Road**

**-Includes a pedestrian bridge crossing Paulin Creek**

# PROJECT LOCATION

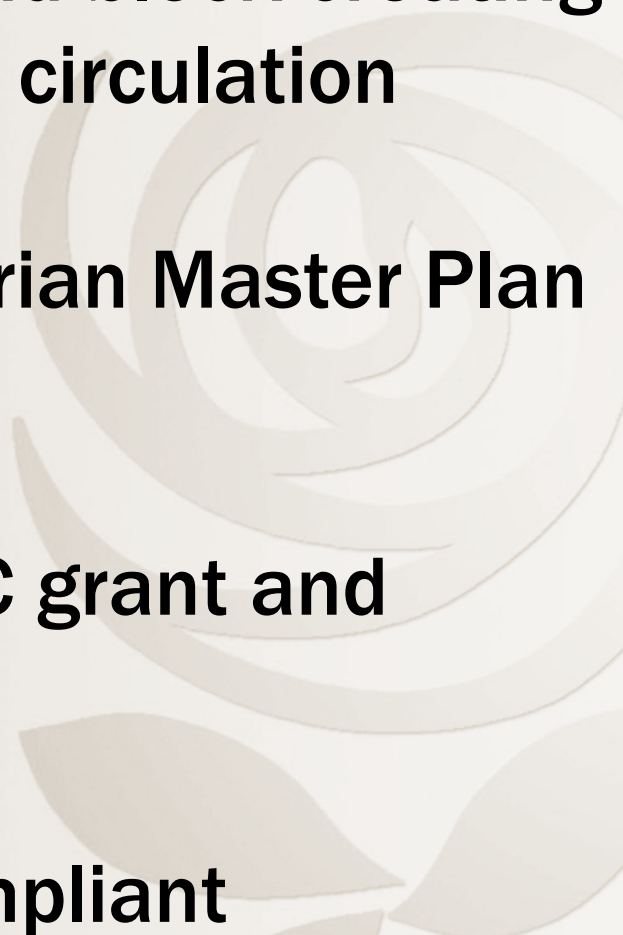

## Chanate Rd Between Parker Hill & Fitzpatrick Ct

# PROJECT PLAN

# PROJECT ANALYSIS

- Existing sidewalk terminates mid-block creating a potential barrier to pedestrian circulation**
  - Top Priority in Bicycle & Pedestrian Master Plan and Citywide Creek Master Plan**
  - Funding-\$405,000 Federal MTC grant and \$101,250 CIP funds**
  - The pathway design is ADA compliant**
- 

# ISSUES

- CEQA-Impacts less than significant with mitigation**
- Neighbor Comment-Requests Fence**

# RECOMMENDATION

**Recommended by the Transportation and Public Works Department that the City Council:**

- Adopt the proposed Mitigated Negative Declaration**
- Approve the Chanate Road Pedestrian Bridge and Path project**
