

ORDINANCE NO. _____

ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA ROSA ADDING CHAPTER 20-46, TITLED MEDICAL CANNABIS CULTIVATION, TO THE SANTA ROSA CITY CODE WHICH PERMITS COMMERCIAL CULTIVATION OF MEDICAL CANNABIS IN THE LIGHT INDUSTRIAL (IL), GENERAL INDUSTRIAL (IG), AND LIMITED LIGHT INDUSTRIAL (LIL) DISTRICTS WITH A CONDITIONAL USE PERMIT UNTIL SUCH TIME AS THE CITY COMPLETES ITS COMPREHENSIVE POLICY EFFORT TO REGULATE MEDICAL CANNABIS – FILE NUMBER REZ15-007

THE PEOPLE OF THE CITY OF SANTA ROSA DO ENACT AS FOLLOWS:

Section 1. The Council finds, based on evidence and records presented, that:

1. This Ordinance is necessary for the protection of the public health, welfare and general safety of the City for the following reasons:
 - a. The proposed Zoning Code Text Amendment to add Chapter 20-46 (Medical Cannabis Cultivation) to Title 20 (Zoning) is consistent with the goals and policies of all elements of the General Plan, and any applicable specific plan in that adding Chapter 20-46 to the Santa Rosa City Code, as follows, exercises the land use powers of the City to protect the health, safety and welfare of the public which would be put at risk if commercial cultivation of cannabis for medical purposes is allowed to move forward in the City without local regulation; and;
 - b. The proposed amendment would not be detrimental to the public interest, health, safety, convenience, or welfare of the City in that it will regulate medical cannabis cultivation as a land use, by allowing the use with a Conditional Use Permit in selected Zoning Districts until such time as a more comprehensive analysis and policy can be prepared; and;
 - c. The proposed amendment has been reviewed in compliance with the California Environmental Quality Act (CEQA) in that the activity is covered by the general rule that CEQA applies only the projects which have the potential for causing a significant effect on the environment. It has been determined with certainty that there is no possibility that the Zoning Code text amendment will have a significant effect on the environment and, therefore, is not subject to CEQA; and
 - d. The proposed amendment is internally consistent with other applicable provisions of this Zoning Code, in that commercial cultivation of cannabis would be subject to specified zoning districts and to findings necessary to grant a conditional use permit; and

Section 2. Chapter 20-46, entitled, “Medical Cannabis Cultivation” is added to the City of Santa Rosa City Code to read as follows:
