The Community Advisory Board (CAB) reviews and approves the 2024 Community Improvement Grant Applications. Grant Applications for Quarter 2 closed on June 28, 2024. The CAB received four more

applications eligible for funding, totaling \$10,000. The projects are as follows:

- The Vince Harper's South Park Day & Night Festival grant application from EFZM Engage requests funds to host the Vince Harper's South Park Day & Night Festival. The festival is designed to build knowledge through educating the public, bringing resources to the people and community, and celebrating the vibrant neighborhood of South Park. The neighborhood residents, community-based organizations, nonprofits, city, and county come together to strengthen the community and provide opportunities for on-site health and wellness services and to connect to resources for the betterment of the whole family approach.
- The Prince Plaza Mosaic Bench grant application from Friends of Prince Memorial Greenway requests funds to continue the beautification of the Prince Memorial Greenway (PMG) by installing a mosaic tile design bench at the circular plaza behind the Hyatt Regency Hotel. The project is a collaboration among Artstart, Chop's Teen Club, and Friends of PMG. The project will provide artwork experience for teens, fostering connections and engagement through art.
- The Bags of Love Program grant application from Food for Thought requests funds to provide bags of healthy, shelf-stable, easy-to-eat food to unsheltered/housing insecure people. Each portable bag contains the equivalent of 11 meals. Their Bags of Love Program directly addresses food insecurity and helps alleviate poverty in Santa Rosa by mitigating the rising costs of one of the most essential, yet expensive basic needs-food.
- The We Supply Sonoma grant application from We Supply Sonoma Co. requests funds to service the unhoused community by providing them with food and hygiene products. They are proposing to have a mobile unit that will feed people when other resources may not be available due to time, day, or location..
