ARTICLE 6 **SEVERABILITY**

6.1 Should any part of this Understanding be rendered or declared illegal or invalid by legislation or decree of a court of competent jurisdiction, this invalidation shall not affect the remaining portions of this Understanding.

6.2 If any part of this Agreement is invalidated through legislation or by a decision of a court of competent jurisdiction, then either party has the right to make a written request to the other party to negotiate a replacement for the portion of the Agreement that was negated. Such written request shall be served upon the other party within thirty (30) days of the effective date of the legislation or decision by the court. Such negotiation shall be completed within thirty (30) days of the effective date of the legislation or decision by the court. ARTICLE 7 **MUTUAL RESPONSIBILITY**

7.1 The CITY and the UNION recognize their mutual responsibility to provide the citizens those municipal services deemed appropriate by the CITY.

7.2 In addition to their regular duties, employees may be required to act as Disaster Service Workers in accordance with California Government Code Section 3100 and the City's Emergency Preparedness Plan and policies. Employees shall not be entitled to any additional compensation for said duties.

ARTICLE 8 **WORK CURTAILMENT**

8.1 Under no conditions or circumstances shall the UNION or any of the employees it represents individually or collectively cause, sanction, honor or engage in any strike, sit-down, stay-in, sick-out, slow-down, speed-up, work to rule or in any other type of job action, curtailment of work, restriction of production or restriction of service during the term of this Understanding.

ARTICLE 9 **CITY RIGHTS**

9.1 The CITY reserves, retains and is vested with any management rights not expressly granted to the UNION by this Agreement, the Personnel Rules and Regulations or the Employer-Employee Relations Ordinance. These CITY rights include the right to:

9.1.1 Determine and modify the organization of CITY government and its constituent work units.

9.1.2 Determine the nature, standard, levels and mode of delivery of CITY services.

9.1.3 Determine the methods, means, number and kind of personnel by which services are provided.

9.1.4 Lay off employees, subject to the Personnel Rules and Regulations and City Layoff Policy/Procedures dated August 8, 2008.

9.2 Should the CITY desire to exercise any of these rights, it shall, except in cases of emergency, give the UNION advance, written notice of its intentions thereof and shall afford the UNION an opportunity to meet and confer on the impact of the exercise of such rights upon represented employees before the decision is implemented.

ARTICLE 10 **EMPLOYEE AND UNION RIGHTS**

10.1 The CITY shall consult with the UNION on matters of pay, hours and working conditions in accordance with State law and CITY policies, rules and regulations.

10.2 Employees shall be free to participate in UNION activities without interference, intimidation or discrimination in accordance with State law and CITY policies, rules and regulations.

10.3 The UNION shall have eighty (80) hours of paid leave during each fiscal year to be used for UNION business.

10.4 The eighty (80) hours of paid leave is the total amount of UNION Leave that may be distributed among its members. The unused portion of the 80 hours is not cumulative from one year to the next. Union leave may not be used to engage in political activity. This does not preclude the employee from engaging in free-speech or other activity on their own time during any approved leave. The affected employee shall use his/her department's normal procedure for requesting time off and use the appropriate payroll code in accounting for the release time used.

10.5 The OE3 Business Representative shall designate the employees who may use unpaid UNION Leave time.

10.6 For an employee to be eligible to use UNION Leave, the OE3 Business Representative shall make a written request to the Employee Relations Manager. If such

a request is approved by the Employee Relations Manager, the affected employee shall use his/her department's normal procedure for requesting time off.

10.7 Unpaid time off taken pursuant to this article shall not be considered a break in service for any CITY purpose.

ARTICLE 11 **RULES AND REGULATIONS**

11.1 The following rules and regulations, as they exist now or as they may be amended through the meet and confer process, shall be applicable to employees and the UNION unless superseded by any provision of this Understanding.

ARTICLE 12 **NOTICE OF RECOGNIZED UNION**

12.1 Each CITY department in which members of Operating Engineers Local Union No. 3 (the UNION), Unit #13 Mechanics (the Unit) are employed, shall post within the employee work or rest area, a written notice which sets forth the classifications included within the Unit. The Human Resources Department shall give a written notice to persons newly employed in the unit classifications which notice shall contain the name and address of the employee organization recognized for such unit; the fact that the UNION is the exclusive bargaining representative for the employee's unit and classification; and a copy of the current Memorandum of Understanding (MOU) to be supplied by the UNION. The UNION shall receive from the CITY, at least once a month, the names of all new employees hired within such units. The UNION agrees that it has a duty to provide fair and non-discriminatory representation to all employees in all classes of the units for which this Section is applicable provided the employee pays UNION dues, a service fee, or a charitable contribution.

ARTICLE 13 **AGENCY SHOP**

13.1 Except as provided otherwise in this Section, employees in the Unit shall become and remain members of the UNION or shall pay to the UNION a service fee in lieu thereof. Such service fee shall be equal to an employee's proportionate share or the UNION'S cost of meeting and conferring and administering the MOU. Such service fee shall, in no event, exceed the regular, periodic member's dues paid by Unit employees.

13.2 IMPLEMENTATION – Any employee hired by the CITY who is subject to this Memorandum of Understanding shall be provided through the Human Resources Department, with a notice advising that the CITY has entered into an agency shop agreement with the UNION and that all employees subject to the Memorandum of Understanding must either join the UNION, pay a service fee to the UNION, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of UNION dues or a service fee. Said employee shall have five (5) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to payroll. The CITY shall notify the UNION on a monthly basis of any employees who have not properly completed and returned said authorization form. As a condition of employment, any employee who is not a member of the UNION, or who does not make application for membership or elect a religious exemption within the ninety (90) days of the effective date of this section shall pay an agency fee to the UNION. If an employee does not make application for membership within the prescribed time, the employee shall be notified by the City or UNION that he/she is required by the Collective Bargaining Agreement to pay an agency fee to the UNION. To accomplish that, the employee will be asked to prepare an application card. If the employee refuses to complete an application card, the default option shall be an automatic enrollment as an agency fee payer. After receiving written notification from the UNION, the City shall deduct the agency fee from that employee's paycheck. The effective date of UNION dues, service fee deductions or charitable contribution for an employee who has executed the required documents shall be the beginning of the first full pay period after the CITY receives the authorizing document. The sole obligation of the CITY with respect to such disputes is as set forth in this paragraph. The CITY shall not be made a party to administrative or court proceedings except to the limited extent where such administrative body and/or court determine such to

be necessary for the purpose of enforcing its order or judgment. In such event, the CITY shall be entitled to payment of its attorney fees and costs by the UNION.

13.3 Membership in a UNION other than the UNION recognized for employee's representation unit and classification is permissible, but will not affect the employee's obligation to become and remain a member of the UNION representing his/her unit and classification or to pay a service fee in lieu of such membership to such UNION.

13.4 The employee's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fee check-off authorized. When an employee is in a non-pay status for an entire pay period, no withholding of union dues or service fee will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction for union dues or service fee shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over UNION dues and service fee.

13.5 RELIGIOUS EXEMPTION – Any employee of the CITY subject to this Memorandum of Understanding who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting a public employee organization and as defined in California Government Code Section 3502.5(c), shall, upon presentation of verification of active membership in such religion, body, or sect to the CITY with a copy to the UNION be permitted to make a charitable contribution equal to the service fee in lieu of UNION membership or service fee payment.

13.5.1 The UNION shall have fifteen (15) days after receipt of a request for religious exemption to challenge any exemption granted by the Director of Human Resources of his/her designee. If challenged, the deduction to the charity of the employee's choice shall commence but shall be held in escrow pending resolution of the challenge. Charitable contributions shall be by regular payroll deduction only. For purposes of this Section, charitable deduction means a contribution to non-labor, charitable organization selected by such employee, or, in the absence of such selection, as agreed upon by the UNION and the CITY.

13.6 EXCLUSION OF EMPLOYEES – The agency shop provisions set forth in Article 13 shall not apply to persons not in a permanent classification.

13.7 FINANCIAL REPORTS – A Unit employee who is subject to the payment of a representation service fee hereunder shall have the right to object to any part of that fee payable by him or her which is claimed to represent the employee’s additional pro rata share of expenditures by the UNION that is in aid of activities or causes of a partisan political or ideological nature, or that is applied towards the cost of benefits available only to members of the UNION, or that is utilized for expenditures that are not necessarily or reasonably incurred for the purpose of performing the duties incident to meeting and conferring or administering the MOU.

13.7.1 Prior to a Unit employee having any obligation to pay a representation service fee hereunder, the UNION must have given sufficient financial information to such Unit employees to allow them to gauge the propriety of the UNION’S representation service fee. This information must be updated by the UNION and provided to Unit employees and the CITY at least annually. The financial information must be itemized and adequately describe all categories of expenses, and the information must be verified as complete and accurate by a qualified independent auditor. The information must cover local expenditures as well as uses made by CITY, state, national and international organizations with which the local UNION is directly or indirectly affiliated and to whom the local UNION transmits a portion of its dues and/or representation service fee funds.

13.7.2 The UNION shall make available, at its expense, an expeditious administrative appeals procedure to Unit employees who object to the payment of any portion of the presentation service fee. Such procedure shall provide for a prompt decision to be made by an impartial decision-maker jointly selected by the UNION and the objecting employee(s). A copy of such procedure shall be made available by the UNION to non-union member Unit employees and the CITY.

13.7.3 Failure on the part of the UNION, to file its financial information within thirty (30) days of the close of each UNION’S fiscal year shall result in the termination of all agency fee deductions without jeopardy to any employee, until said report is filed.

13.8 DISPUTED DUES – When an authorized agent of the CITY is served with written notice by a concerned Unit employee or employees, or by the UNION that a dispute exists between such Unit employee or employees and the UNION involving claimed violation of employee rights with respect to (1) representation service fee expenditures or

obligations by the UNION, or (2) employee exemption pursuant to Article 13.5, and the employee or employees in question are already having dues or services fees or charitable fees pursuant to a religious exemption deducted from their pay, the CITY shall thereafter deposit such disputed dues or fees in an interest bearing escrow or comparable account pending final resolution of the dispute, and shall so advise in writing the employee or employees and the UNION. The CITY shall not be obligated to take any other or further action pending final resolution of the dispute. Final resolution, as used in this subdivision, shall mean resolution of the dispute by way of legally binding settlement agreement between the employee(s) and the UNION, or non-appealable final judgment of an administrative agency and/or court of competent jurisdiction. The sole obligation of the CITY with respect to such disputes is as set forth in this paragraph

13.9 PAYROLL DEDUCTIONS – The CITY shall deduct UNION dues or service fees from employee's pay in conformity with State and City regulations and subject to paragraph 13.4. The CITY shall promptly pay over to the designated payee all sums so deducted. The CITY shall also periodically provide a list of all persons making charitable deductions pursuant to a religious exemption granted herein.

13.10 HOLD HARMLESS – The UNION shall indemnify and hold the CITY, its officers, agents, and employees, harmless from any and all claims, demands, suits, or any other action directly or indirectly arising from the agency shop provisions herein. In no event shall the CITY be required to pay from its own funds, UNION dues, service fee or charitable contributions, which the employee was obligated to pay, but failed to pay, regardless of the reasons.

13.11 SUSPENSION OF AGENCY FEES AND DUES– For the duration of any strike, sanctioned, called or supported by the UNION, the CITY may suspend collection of agency service fee and dues without jeopardy to the employee or liability to the UNION.

13.12 UNIT MEMBER REVIEW – The representation service fee arrangement provided by this Section may be rescinded by majority vote determined in a secret ballot election in which all regular full-time (non-Managerial, supervisory, confidential) Unit employees are eligible to vote provided that (a) a request for such vote is supported by a petition containing the signatures of at least ten percent (10%) of the employees in the UNION, and (b) the vote may be taken at any time during the term of the MOU, but in no

event shall there be more than one (1) vote taken during any one contract year. The sufficiency of petitions shall be determined, and the election conducted by the State Mediation and Conciliation Service or any other entity or individual(s) agreed to by the UNION and the CITY.

13.13 The UNION shall comply with PERB Regulations Sections 32990 through 32997.

ARTICLE 14 **BULLETIN BOARDS**

14.1 OE3 will furnish and maintain bulletin boards at locations agreeable to the parties.

14.2 Such bulletin boards shall be used only for the following subjects:

14.2.1 Notice of membership and board meetings;

14.2.2 Minutes of membership and board meetings;

14.2.3 Notice of OE3 elections and election results;

14.2.5 Announcements of all social events and functions;

14.2.6 The OE3 newsletters;

14.2.7 Notice of appointments to committees; and

14.2.8 Any other written material which has first been approved by the department head or designee.

14.3 Materials not included in categories "14.2.1" through "14.2.8" above, which the UNION wishes to post, shall be submitted to the department head or designee for approval or rejection; the department head or designee shall have twenty-four (24) hours during the week or seventy-two (72) hours over a weekend to approve or reject the materials. If the department head or designee has not responded to the UNION approval or rejection within a twenty-four or seventy-two (72) hour period, the request for posting shall be deemed granted and the UNION may post the materials at that point. If rejection of the materials is made within the appropriate time limit, the UNION shall have the right to appeal the decision within two (2) working days to the Employee Relations Manager or designee, who shall have twenty-four (24) hours or (72 hours over the weekend) within which to accept or reject the appeal.

14.4 In no event shall the bulletin board be used to post material which is libelous or defamatory; pornographic or obscene; offensive to ethnic or sexual groups; or totally unrelated to the normal business of OE3 or the Employer-Employee Relations process.

ARTICLE 15 **SENIORITY: ASSIGNMENTS AND PROMOTIONS**

15.1 The CITY shall give significant consideration to employees with seniority in making assignments and promotions when merit and ability are equal. However, the CITY retains the final determination to make assignments and promotions based on factors other than seniority.

15.1.1 For purposes of assignment of work and/or shift, seniority means uninterrupted employment with the CITY in a currently occupied classification and any higher classification in the maintenance unit based upon the latest date of hire or promotion.

15.1.2 For purposes of promotion, seniority means uninterrupted employment with the CITY from the date of initial hiring.

15.2 Seniority shall be terminated by:

15.2.1 Resignation.

15.2.2 Discharge for cause.

15.2.3 Retirement.

15.2.4 Failure to return to work after a lay-off within seven (7) calendar days after a certified notice has been sent to the employee giving notice to return to work. The address used shall be the one listed in the employee's personnel records.

15.2.5 Absence from work for three (3) consecutive working days without notifying the CITY unless the failure to notify and work is due to circumstances beyond the control of the employee.

15.3 The CITY shall maintain seniority lists indicating the names, classification, department assigned and date of hire of employees. The CITY shall provide the UNION two (2) copies of these lists in July and January of each year.

15.4 The seniority lists shall be deemed accurate unless the UNION provides the CITY specific facts indicating otherwise within thirty (30) calendar days of the CITY sending the UNION the seniority lists.

ARTICLE 16 **LAYOFF POLICY**

16.1 In the event of a layoff affecting employees in the bargaining Unit, the CITY shall follow the layoff procedures as provided in the CITY'S Layoff Policy dated August 8, 2008 which can be found at the following link:

http://cityweb.srcity.org/departments/hr/policies_procedures/Layoff%20Procedures%208-8-08.doc

16.2 If the CITY subcontracts bargaining unit work that will cause a layoff of employees, then the CITY shall give the UNION ninety (90) calendar days prior notice. At the written request of the UNION, the parties shall negotiate the impact of such layoffs.

ARTICLE 17 **LEAVE OF ABSENCE**

17.1 Employees may request a leave of absence in accordance with the City Leave of Absence Procedure(s), in writing to their respective department heads, upon either the exhaustion of their accumulated paid leave, or when receiving long term disability insurance benefits.

17.2 These requests may be approved as follows:

17.2.1 By the department head for a time not exceeding twenty-four (24) working hours. If denied, the department shall specify the reasons for the denial to the employee.

17.2.2 By the City Manager's Office for any time exceeding twenty-four (24) working hours.

17.2.3 As required by state or federal law.

17.3 If the continuous period of absence is confined within one (1) calendar month and is less than the full calendar month, insurance benefits shall be continued by the CITY. In all other instances, the employee shall make arrangements to prepay the appropriate monthly premiums, if insurance benefit coverage is to continue.

ARTICLE 18 **JURY LEAVE**

18.1 Employees who are required to serve as jurors shall be provided jury leave for the duration of the jury duty.

18.2 Employees serving as jurors shall receive full salary and benefits for the duration of the jury leave provided all money, less travel expenses, received by the employee for the jury duty is remitted to the CITY.

18.3 For the purpose of this Section for those employees on other than regular daytime shift schedules, such hours served as a juror on the same calendar day as the employee is scheduled to work shall constitute an equivalent amount of time worked. It is the intent of this paragraph to allow an employee, compelled by law, to appear as a juror to compute that time as a portion of his work day so that the employee will not be required to appear in Court under service of process and also work a shift for the CITY during one twenty-four (24) hour period.

ARTICLE 19 **BEREAVEMENT LEAVE**

19.1 Employees may take up to forty (40) hours of bereavement leave, or the FTE equivalent for regular, part-time employees, because of death in the immediate family. 20.3 Employees with less than one (1) year CITY service shall take such leave without compensation from the CITY as provided in the Military and Veterans Code.

ARTICLE 21 **INDUSTRIAL INJURY OR ILLNESS**

21.1 Industrial injury or illness benefits shall be payable in situations where employee absence is due to industrial injury or illness as provided in California Workers' Compensation law and CITY policies.

21.2 Employees may select one (1) of the two (2) plans outlined below to receive benefits upon suffering an industrial injury or illness. Employees who do not specifically choose one (1) of the two (2) plans shall be compensated in accordance with the City Supplemental Workers' Compensation Plan.

City Supplemental Workers' Compensation Plan:

21.3 This plan supplements the State plan and provides:

21.3.3 Payments shall be based on a seven (7) day week.

21.3.4 The employee shall not be charged sick on the day of injury or for the subsequent three (3) days.

21.3.5 Once sick leave is exhausted, compensation shall be made in accordance with the State Workers' Compensation Plan.

State Workers' Compensation Plan

22.1.1 Part-time employees shall accrue sick leave on a prorated basis based on hours in paid status.

22.2 Sick leave shall not be considered as a right which an employee may use at his/her discretion and shall be allowed only in case of actual sickness or disability.

22.3 Also, employees may use sick leave when they are unable to work because of disability due to a non-industrial sickness or injury.

22.4 For the purpose of charging sick leave, the minimum sick leave chargeable shall be fifteen (15) minutes.

22.5 No sick leave shall be payable for any sickness, disability or injury which results or occurs as follows:

22.5.1 Participating in a criminal act;

22.5.2 Participating in a riot;

22.5.3 Working for an employer other than the CITY;

22.5.4 During vacation unless the employee was confined to a hospital or other fixed location under written doctor's orders;

Effective January 1, 2013 the Public Employees Retirement Act (PEPRA) added the third tier. The retirement benefit provided by PEPRA applies to “new members.” The PEPRA defines a new member as an employee hired on/after January 1, 2013 who: (a) has never been a member of the California Public Employee Retirement System (PERS) or a reciprocal agency or; (b) has had a six month (or more) break in service from PERS or a reciprocal public agency or; (c) has previously worked for a public agency whose retirement system does not have reciprocity with PERS.

Contribution of half the normal cost shall be determined by the Annual CalPERS valuation. In accordance with PEPRAs half the normal cost shall change only if the normal cost identified in the Annual CalPERS valuation changes by one percent (1%) or more. 27.7.2 The cost of .4% for Inactive CalPERS members, receiving the benefit 3% at 60, was calculated into the overall cost for the enhanced retirement benefit. The cost for the inactives (.4%) was refunded to the employees by reducing the payment due for 3% at 60 in fiscal years 03/04 and 04/05. The CITY and OE3 agree that in the event the inactives become part of future legislation, then Unit 13 shall be responsible for paying for .4%. SECTION 1 – Policy Statement

The CITY of Santa Rosa's grievance procedures set forth in the Personnel Rules and Regulations provide a means of resolving workplace disputes that involves the parties in considering and attempting to meet their mutual and separate interests in order to promote improved workplace relationships. This grievance procedure provides an orderly process to resolve grievances promptly, if possible at the organizational level of origin, and insures freedom from reprisal for using the grievance procedure.

SECTION 2 – Grievance Procedures in MOUs

If the procedures for resolution of grievances are incorporated into a Memorandum of Understanding (MOU), the MOU procedure shall be used for resolution of grievances filed by employees covered by that MOU.

SECTION 3- Definition, Scope and Right to File

A grievance may be filed by an individual employee, or jointly by a group of employees, or by an employee organization. Grievances may be processed and appeals may be filed on behalf of an employee who has completed the required initial probationary period and attained permanent status.

All grievances shall be filed in accordance with this procedure. A grievance is a claimed violation, misinterpretation, inequitable application or non-compliance with a Memorandum of Understanding, City ordinance, resolution, rule or regulation affecting working conditions. Disputes over individual disciplinary actions are not considered grievances and are addressed in Rule 7 of the Personnel Rules and Regulations.

represent a majority of employees in a representation unit in which an aggrieved employee is included, upon prior request of the grievant, is entitled to be present at all meetings, conferences, and hearings.

SECTION 5 – Informal Grievance Procedure

As soon as possible, but within fourteen (14) calendar days of the discovery of an event giving rise to a grievance, the grievant or representative shall present the grievance clearly and succinctly, either verbally or in writing, to the supervisor, except in situations where the grievance involves the relationship with the supervisor; in those situations, the grievance shall be submitted to the next higher level of supervision within the same time frame. The parties are encouraged to seek mediation to resolve the dispute. Mediation services are available through the Human Resources Department or from other CITY mediators to assist in bringing the grievance to a resolution. The grievant and supervisor have a mutual responsibility to have the matter resolved, if possible, at the organizational level of origin. The supervisor shall provide the grievant with a written response to the grievance within seven (7) calendar days of the last meeting with the employee regarding the grievance. Presentation of an informal grievance shall be necessary prior to the filing of a formal grievance.

SECTION 6 – Formal Grievance Procedure

If the issue grieved was not resolved informally, a formal written grievance shall be filed within fourteen (14) calendar days after receipt of the supervisor's response to the informal grievance. The grievance will include a clear statement of the nature of the grievance, citing the applicable language of any ordinance, rule, regulation, memorandum of understanding, or other pertinent document involved, the date on which the grievance occurred and a proposed solution to the grievance. A formal grievance shall only be initiated by completing a form provided by the Human Resources Department.

The parties are encouraged to seek mediation to resolve the dispute.

If the grievance is not resolved to the satisfaction of the grievant, the grievant may, within seven (7) calendar days after notification of the department head's decision, request the City Manager or designee to consider the decision rendered by the department head. Such request shall be in writing and filed with the Human Resources Director.

2. City Manager Review

If the decision of the City Manager or designee resolves the grievance to the satisfaction of the grievant, it shall be final and binding.

If the decision of the City Manager or designee does not resolve the grievance to the satisfaction of the grievant, the grievant may file a request for a hearing before the Personnel Board. The request for a hearing shall be made in writing within seven (7) calendar days from the date of receipt of the decision of the City Manager or designee.

SECTION 7 – Appeal to the Personnel Board

SECTION 9 – Informal Complaint Procedure for Probationary Employees

Probationary employees shall have access to an informal complaint procedure only for issues limited to misapplication or misinterpretation of the MOU or CITY policies or procedures. Probationary employees should immediately bring complaints regarding these issues to their supervisor. This informal complaint procedure is not available for disciplinary actions or decisions to end employment during the probationary period. If additional assistance is needed in resolving the dispute, the parties are encouraged to seek mediation. Mediation services are available from the Human Resources Department. If the issue is not resolved, the employee may discuss the issue with the Department Head or the Director of Human Resources.
