

# APPROVAL TO TRANSFER FUNDS FROM BENNETT VALLEY GOLF COURSE CAPITAL FUND TO PURCHASE GREENS MOWERS

City Council Meeting  
February 15, 2022

Jen Santos, Deputy Director - Parks  
Transportation & Public Works Department

# BACKGROUND

- Bennett Valley Golf Course (BVGC) is a 150-acre, 18- hole golf course
- BVGC operator provides maintenance of golf course maintenance equipment
- The City owns, liquidates and acquires new golf course maintenance equipment as needed

# BACKGROUND (Continued)

- In 2017 Council established a per round golf course fee to fund capital and equipment needs (RES-2017-090)
- Fee effective July 1, 2017
- Council amends golf operation agreement to add collection of per-round golf fee (RES-2017-141)
- Fees are collected monthly and held in BVGC Capital Fund 1662

# ANALYSIS

- Two greens mowers identified by operator and city for urgent need of replacement
- Council required to increase appropriations in BVGC Operations fund to purchase mowers.
- BVGC Ad Hoc Committee recommends Council approval to utilize BVGC Capital Fund on December 21, 2021, meeting

# RECOMMENDATION

It is recommended by the Bennett Valley Golf Course Ad Hoc Committee, and the Transportation and Public Works Department that the Council, by resolution increase appropriations in the Bennett Valley Golf Course Operations fund in the amount of \$100,000 for the purchase of two golf course greens mowers, with the source of funds from Bennett Valley Golf Course Capital Fund.
