August 19, 2024

APPLICATION COMPLETION DATE

September 17, 2024

PROJECT PLANNER

Kristinae Toomians

RECOMMENDATION

Provide comments, suggestions, and recommendations related to the design of the Project

PROPOSAL

Applicant proposes 103-unit, 4-story mixed-use apartment complex. The project features three 4-story buildings situated above two semi-recessed parking garages. Along Piner Road, one building will include four ground-floor retail spaces with senior housing above, while the other two buildings will offer rental units available to all ages, sharing a common parking garage. The buildings will be arranged around a central plaza at the north end of the site, with amenities such as activity areas, a pool, and a community building located to the south.
