City Council Meeting
January 29, 2019

Kim Nadeau, Parking Manager
Finance Department

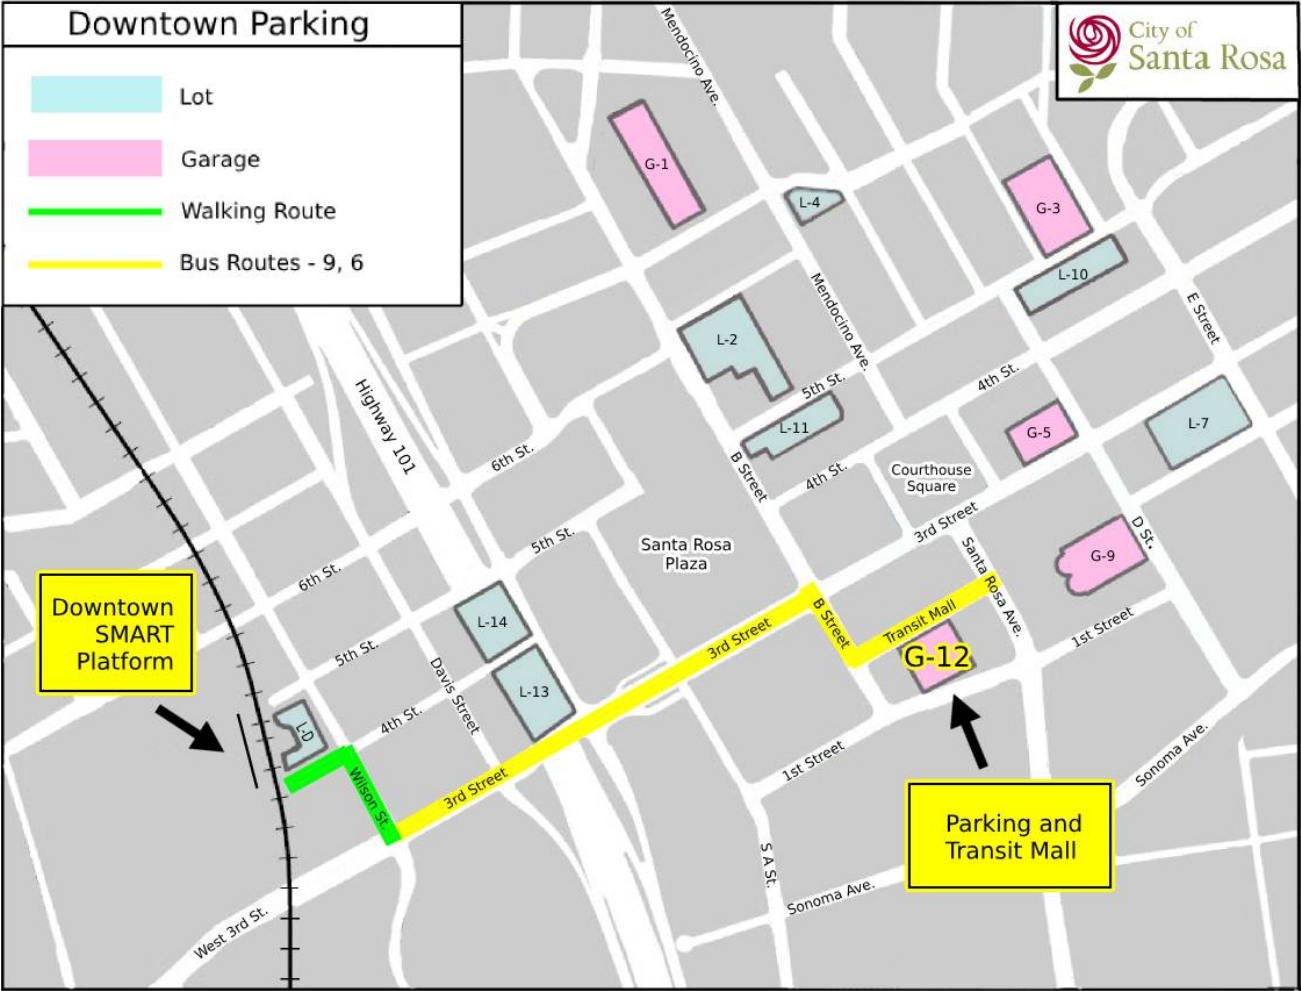

CURRENT

- The City currently charges \$62 per month for a non-reserved parking permit at Garage 12.
- A discounted permit is offered at \$31 per month for low wage employees.

PROPOSED

- This resolution proposes a discounted permit for commuters who regularly use public transportation.
- The permit would be offered at \$31/month, a 50% discount from the regular permit rate at Garage 12.

ROUTE FROM GARAGE TO DOWNTOWN SMART PLATFORM

BENEFIT

- Approval of this item will provide an incentive to use public transportation for commuting by offering discounted long term parking, adjacent to the Transit Mall.
- Increased use of public transportation can result in reduction of vehicle miles travelled and lower green house gas emissions.

RECOMMENDATION

- It is recommended by the Finance Department that the Council, by resolution, adopt the revised Schedule of Parking User Fees, adding a discounted monthly transit commuter parking permit fee, effective February 1, 2019
