4.1 SONOMA COUNTY INTEGRATED TRANSIT SERVICE PLAN (THIS ITEM HAS BEEN CONTINUED TO THE JULY 23, 2024, REGULAR MEETING.)

It is recommended by the Transportation and Public Works Department that the Council hold a Study Session on the Sonoma County Integrated Transit Service Plan recently completed by the Sonoma County Transportation Authority (SCTA) in coordination with Santa Rosa CityBus, Sonoma County Transit and Petaluma Transit. This item is provided for Council's information and no action will be taken except for possible direction to staff.

This item was continued to the July 23, 2024 regular meeting.

4.2 PROPOSED REVENUE MEASURES

As part of a broader strategy to address the imbalance in the General Fund budget, staff identified revenue enhancement opportunities that would have minimal impact to residents of Santa Rosa. Santa Rosa's Transient Occupancy Tax (TOT) and General Business License Tax (BLT) have not been updated since 1993 and 1990, respectively. Increasing these tax rates would; have minimal impact to Santa Rosa residents, increase General Fund revenue significantly, and ensure the continuation of vital services to the community. In this study session, staff will provide background information on the existing TOT and General BLT ordinance and provide details of the proposed changes. There are no changes proposed to the separate and distinct BLT structure that applies to businesses in the cannabis industry.
