

Award of Cooperative Purchase for Communication Infrastructure Equipment

City Council Meeting
September 13, 2016

Deborah Lauchner
Chief Financial Officer, Finance

CURRENT

- Police Department identified need to increase the number of communications channels and frequencies available.
- Funds for capital improvements to the communication systems have been appropriated through the budget process and segregated in a Capital Improvement Project fund.

PROPOSED

- The HGAC-Buy Cooperative Purchasing Contract RA05-15 purchase for Motorola communication infrastructure equipment.

BENEFIT

- Purchasing the communication infrastructure equipment will allow the Police Department to:
 - meet the communication traffic load.
 - improve interoperable communications by adding additional channels and frequencies.
 - provide a dedicated frequency, shared with regional agencies for emergency operations management.

RECOMMENDATION

- Council approve, by motion, the cooperative purchase and award of a purchase order for Motorola communication infrastructure equipment to Motorola Solutions Corporation of San Diego, California, in an amount not to exceed \$224,203.71.
