16.3 REPORT - CODE ADOPTION AND AMENDMENTS TO THE CALIFORNIA BUILDING CODE

BACKGROUND: Every three years the State of California updates the California Code of Regulations, Title 24 (CCR-T24) including its thirteen-component building and safety codes (collectively, the California Building Standards Code). Through the State code adoption

cycle, the State of California adopts and publishes amendments to national model codes and updates codes specific to California. Such model codes with State amendments and California specific codes go into effect in every city and county in the State of California 180 days after publication. The new California Building Standards (CCR-T24) was published on July 1, 2025 and will take effect on January 1, 2026. Similarly, every three years the International Code Council updates the International Property Maintenance Code with the most recent update occurring in 2024. Adoption of the International Property Maintenance Code is at the discretion of the local agency. In addition, The Health and Safety Code allows local jurisdictions to change or modify the State adopted model codes based on local geologic, climatic, or topographic conditions. The Planning and Economic Development Department is requesting adoption of the 2025 California Building Standards Code as well as the updated 2024 International Property Maintenance Code, with certain local amendments and administrative changes.

RECOMMENDATION: The Planning and Economic Development Department recommends that the Council: 1) introduce an ordinance adopting by reference, with local amendments, the 2025 California Administrative Code, 2025 California Building Code, 2025 California Residential Code, 2025 California Green Building Standards Code, 2025 California Electrical Code, 2025 California Mechanical Code, 2025 California Plumbing Code, 2025 California Energy Code, 2025 California Wildland-Urban Interface Code, 2025 California Historical Building Code, 2025 California Existing Building Code, 2025 California Referenced Standards Code, 2024 International Property Maintenance Code, and the National Pollutant Discharge Elimination Permit and Waste Discharge Requirements; 2) adopt a resolution setting a public hearing on January 13, 2026, for adoption of the ordinances. 16.4 REPORT - RESOLUTION OF THE COUNCIL OF THE CITY OF SANTA ROSA CENSURING COUNCIL MEMBER DIANNA MACDONALD

BACKGROUND: The Code of Conduct for Council Members and Board and Commission Members ("Code of Conduct") requires that City Council Members adhere to the highest standards of respect, Council Policies, civility, and honesty in ensuring the effective maintenance of intergovernmental relationships and treat others with respect to maintain public confidence in City government. The City's Harassment, Discrimination, and Retaliation Prevention Policy (the "Anti-Harassment Policy") is intended to prohibit and prevent discrimination, harassment, and retaliation in the City's workplace. The Anti-Harassment Policy sets forth procedures for reporting, investigating, and resolving such complaints, and protecting City employees who report discrimination, harassment, or retaliation in the workplace. Among other things, the Anti-Harassment Policy requires City managers and supervisors to model appropriate behavior, take all steps necessary to prevent harassment, discrimination, and retaliation from occurring, receive complaints in a fair and serious manner, take appropriate action to stop potential policy violations, implement appropriate disciplinary and remedial actions, and participate in appropriate periodic training.

In June 2025, the City received allegations that Council Member Dianna MacDonald engaged in allegedly negative and offensive behavior towards City employees that appeared motivated by the Council Member's publicly-known, consensual romantic relationship with a different City employee ("Consensual Relationship"). The City followed procedures set forth in the Anti-Harassment Policy and referred the

matter to outside independent attorney investigator (“Investigator”) who conducted a confidential, independent and objective workplace investigation.

The Investigator concluded it was more likely than not that Council Member MacDonald engaged in negative behavior towards City employees because of her Consensual Relationship, made unwelcomed remarks of a sexual nature about her Consensual Relationship to City employees, and attempted to influence a City operational decision based on her perception that it may benefit her romantic partner. Based on those findings, the Investigator further concluded that it was more likely than not that Council Member MacDonald’s conduct violated the Anti-Harassment Policy.

RECOMMENDATION: Based on direction from City Council, the City Attorney brings forward this item for City Council to consider whether, in light of the Investigator’s findings, to adopt a resolution (1) censuring Council Member MacDonald, (2) admonishing Council Member MacDonald and urging her to re-commit to her obligations under the Code of Conduct and Anti-Harassment Policy, (3) directing the City Manager to implement any further reasonable and appropriate operational steps in response to the Investigator’s findings, (4) directing the City Manager to bring forward for Council’s consideration any recommended changes to the Code of Conduct and Anti-Harassment Policy, (5) directing the City Manager to schedule a study session for Council to provide direction about a possible new policy to address intimate relationships between Council Members and City employees, and (6) directing the City Manager to prepare and provide, by March 31, 2026, additional training for Council Members related to the Investigator’s findings.

17. PUBLIC HEARINGS

Public Hearing matters will begin no earlier than 5:00 p.m. or as soon thereafter as the matters are reached on the agenda.

17.1 PUBLIC HEARING - AMENDED FEE SCHEDULES FOR THE PARKING DIVISION RATE ADJUSTMENTS

BACKGROUND: This action is intended to finalize the amendments to

the Parking District fee schedules recommended by the Finance Department. It follows the Public Hearing held on November 4, 2025, and the Study Session on September 9, 2025. The original Exhibits A and B attached to Resolution No. RES-2025-180 contained clerical errors, which this action now resolves.

RECOMMENDATION: The Finance Department recommends that the Council, by resolution, approve the amended fee schedules for the Parking District. These schedules, Exhibits A and B, apply to all on-street and off-street parking and the amendments address clerical errors related to the effective date of the rate adjustments as well as the omission of the Premium Zone Lot fee. This item has no impact on current fiscal year budget.
